The Incident

Nature of complaint: Noise - Dog Barking

Please give us details of the incident

Constant barking from this dog, they put the dog out and it barks for hours until it is let back in. The poor we thing is demented, all it needs is a walk, it barks from 6am to 10pm every day. This is a council property so maybe you can do something, [redacted]. The neighbours are mostly elderly so you can imagine what this noise is doing

When did this happen? Daily (please click the calendar icon to select a date)

Where did this happen? 14 north Street

Has this incident already been reported? No
