FOI Request - Public Realm Repairs Expenditure - 101003934709															
Q2 - The total annual spend on public realm repairs relating to paved or hard surface areas in parks and other public open spaces (for example: patios, paved seating areas, plazas, hard landscaped play or recreation areas, and similar).															
Q4 - If available, a breakdown of the spend in items (1), (2) and (3) by type of repair or work carried out (for example: routine/reactive repairs, programmed resurfacing or replacement schemes, trip hazard works, accessibility improvements, and similar categories used in your asset management or finance systems).
