Criteria for the School Award

An award will be made to the school or group from within the school who demonstrate good citizenship by making an outstanding contribution to their local environment or surrounding neighbourhood. Any kind of positive community work will be considered, from tackling anti-social behaviour or vandalism to creative work in the local community. The winning pupils must demonstrate some or all of these characteristics:

- Improving the environment of the school and local community;
- Promoting citizenship within the school;
- Showing a positive attitude towards the community.

Part C How does the school meet the criteria?

Please only include additional supporting evidence if vital – maximum one A4 page and up to 4 photographs
