1	<p>The Acting Chair welcomed everyone to the meeting, and thanked them for attending.</p> <p>Apologies</p> <p>Noted as above.</p>	
2	<p>Public Submission</p> <p>DUALLING OF A96 – Mrs Bodman advised that she had written to ICC on 25th August about this subject, but had not seen any discussion on the subject mentioned in the minutes. Three routes around Elgin were being proposed – one to the north and two to the south. It was agreed the item should be put on the agenda for the next meeting.</p> <p>BROWN MUIR WINDFARM – Mrs Bodman advised that if the developer appealed the Council's decision, tenants of the Christie</p>	Agenda

3	<p>Family would not be able to make their views known as it could affect their livelihood.</p> <p>Police Report</p> <p>The Police Report had been received, and circulated to the members.</p> <p>It was noted that Sergeant Ally Bruce was moving from his current post covering Fochabers to take up a post in Elgin. The Community Council recorded their thanks for his support and wished him well for the future.</p>	Secretary
4	<p>Moray Councillors' Reports</p> <p>Cllr Howe reported that she had visited the premises in Thornhill Road which will accommodate young people previously housed out of the area. The facility is very good, although she was concerned that the only sleeping capacity for the member of staff on duty at night was within the office.</p> <p>A site visit and briefing had also been undertaken on the Beatrice Offshore windfarm which will come ashore at Portgordon with the pipeline going through to Blackhillock. The land will eventually go back to agricultural ground, although concerns were expressed about the infrastructure.</p>	
5	<p>Minutes of the Previous Meeting</p> <p>The minutes of the meeting held on 6th October 2015 were agreed as a correct record. Proposed by Mrs Linn and seconded by Mr Bangura.</p>	
6	<p>Matters Arising</p> <p>KCR – The interview recorded after the October meeting was scheduled to be broadcast tonight.</p> <p>COMPLAINT – To be dealt with in private by members at the end of the meeting.</p> <p>DOG FOULING – The Acting Chair read out an e-mail from the Community Warden on outlining what work was going on in respect of dog fouling. The situation gets worse with the longer nights. He can supply posters and Mr Kennedy passed over a lockable notice board to Mr Third which Elgin Community Council had used to display posters. Mr Third agreed to liaise with Mr Betts.</p> <p>LHANBRYDE BURN – Both Mr Anderson and Mr Third had reviewed the situation and it did not appear as dangerous as first thought.</p>	JT/TB

12	<p>Chief Officer of the Moray Health and Social Care Partnership, Pam Gowans to come and visit ICC, and talk about the integration of health and social care. It was agreed she should be invited to the February meeting.</p> <p>Consultations</p> <p>HAVE YOUR SAY ON PUBLIC SERVICES – MORAY 2023 AND THE INTEGRATION OF HEALTH AND SOCIAL CARE – The local consultation event was planned for 17th November 2015 at Milne’s High School, Fochabers, starting at 7.00 p.m.</p> <p>A96 UPGRADE – MOSSTODLOCH/FOCHABERS – The Community Council had been invited to respond to this consultation requesting views on the upgrading of the A96 that had taken place previously. A number of points were made including why had it not been dualled all the way, particularly in the light of recent developments to dual the A96 from Inverness to Aberdeen, safety and road markings at roundabouts, the changes in the speed limits on certain sections of the road, and the amount of signage was confusing. The Acting Chair agreed to draft a response.</p>	Secretary
13	<p>OTHER BUSINESS</p> <p>WHINS AT KINGSTON – Mr Anderson asked whether it would be sensible to ask the Scottish Fire and Rescue Service to attend a future meeting to discuss any problems that may occur should a fire happen in this area. Mrs Linn reported that she had met with Scottish Natural Heritage, Scottish Wildlife Trust and the Forestry Commission last week and they had no concerns on the issue of access should a fire occur.</p> <p>WREATHS – These had been purchased in readiness for Remembrance Sunday and various members agreed to lay them at the five sites within the ICC ward.</p>	AK
