KINGSTON – Mr Fensome outlined his concerns about the lack of an effective coastal defence system for Kingston, and the actions he had untaken in trying to get the matter resolved. He reiterated his concern about the policy that had been agreed by the Moray Council's Policy and Resources Committee on 20th January 2015 - as outlined in the ICC Minutes of 3rd February 2015 (Item 8).

He felt that Kingston was being neglected by the Moray Council and asked ICC to investigate why this was happening and also cited issues like the lack of street lighting, speed signs, the poor condition of the path between Garmouth and Kingston and the drainage.

Mr Mackie explained that Garmouth and Kingston Amenities had negotiated with Moray Council to upgrade the footpath between Garmouth and Kingston from this year's capital budget at a cost of £60,000.

Mr Fensome felt that the infrastructure in Kingston had been ignored for years and it was agreed that ICC would seek to obtain a date for the work to commence on the footpath, and also to take up other issues with the relevant Officers of the Council.

ICC

The Acting Chair agreed to contact the Ward Councillors encouraging them to attend ICC meetings.

LHANBRYDE – PROPOSED SUPPORTED HOUSING DEVELOPMENT – The Acting Chair introduced John Campbell, Provider Services Manager, Community Health and Social Care Partnership. Mr Campbell informed the meeting of the proposed development of ten bungalows close to the industrial units in Lhanbryde for people with learning difficulties and autism. The idea being that the client group could be supported to live as independently as possible. The development would consist of 7 permanent homes, one respite, one communal living space and one residence for staff.

After his presentation Mr Campbell answered a number of questions. Concerns raised included the anti-social behaviour that Lhanbryde is prone to, how realistic was it to try and integrate the client group into the community, the adjacent noise both from people using the Crooked Wood with off road motorcycles and from the electrical sub station, and the victimisation that the client group may be subjected to. He advised that he would take these points back to the Project Team, and also informed the meeting that an awareness raising event was planned for 12th August 2015, in Lhanbryde Community Centre from 4.00 p.m. to 7.00 p.m.

The application had not yet been submitted to the Planning Committee and ICC could submit any planning concerns at that time.

ICC

The Acting Chair thanked Mr Campbell for his presentation.

5	Minutes of the Previous Meeting	
	The minutes of the meeting held on 2 nd June 2015 were agreed with the following amendment: Item 7 – Invasive Non Native Species (INNS) should read Scottish Wildlife Trust not Scottish Natural Heritage. Proposed by Mr Mackie and seconded by Mr Bangura.	
6	Matters Arising	
	STAIRLIFTS – On-going.	AS
	COMMUNITY RESILIENCE PLAN – Mrs Linn advised she had received a copy of the Garmouth and Kingston Plan which was drawn up in 2009, and she will update it for Kingston.	WL
	Mr Mackie advised that the work on obtaining information on community halls within the area was on-going.	JM
	DRUG AND ALCOHOL STRATEGY CONSULTATION – Following representation to the Community Engagement Group the consultation period for this strategy had been extended to 31 st August 2015.	
	The Acting Chair also advised that the jargon concerns raised at the last meeting had been taken on board by the Integrated Joint Board for health and social care.	
	CO-OPTION OF COMMUNITY COUNCILLORS – The Acting Chair advised that he would shortly be meeting with the Editor of the Northern Scot.	
	ADMIRALTY CHARTS – The Acting Chair advised he had checked with the insurance and it was not worth making a claim.	
	TRAINING FOR COMMUNITY COUNCILLORS – Mr Mackie advised that the recent training organised by the Joint Community Councils had been very good.	
	The Acting Chair advised that should the Secretary require computer training this could be arranged.
