From: Mr & Mrs Foran, [REDACTED]

Re: Above Planning Application, - 4 dwelling houses rear of Heatherlea, Tomintoul

Firstly please see our previous comments reference the above planning application which still stand, we also would state the construction of 4 houses would be a large impact to ourselves and surrounding properties with noise and size of buildings, 4 houses are to many to fit into this small space. With the Cairngorms National Park and Moray Council already rejecting this proposal we feel this planning application should be strongly rejected.

Yours faithfully

Mr & Mrs Foran
