**PLANNING APPEAL FOR NEW OFFICE PREMISES
AT DAMHEAD, KINLOSS, MORAY, IV36 3UA**

Dear Darren

I refer to the above project and your letter updating us on the most recent decision of the board.

We understand that the issue regarding visibility can be adequately dealt with by suspensive condition and look forward to the final view of the Roads Department in this regard.

I trust this is all in order and meets with your approval, however, should you have any queries please do not hesitate to contact the office.

Sincerely yours,

PP [Redacted Signature]
