- Sports Coaches cannot accept payments at sessions, so please ensure that your place is booked. Numbers are restricted on all activities.
- The activity details in this leaflet contain specified age ranges for each activity. Please note carefully to avoid misunderstandings.
- In the event of insufficient numbers (minimum of 8 registered) sessions may be cancelled. All parents will be advised of any cancellations as soon as is possible before the activity is due to start and refunds will be arranged.
- Parents must phone to book children onto sessions prior to attendance as many of our sessions do reach their maximum participation levels. Please do not turn up to sessions if not registered.
- Due to the popularity of our sessions we are unable to accept children on multiple back to back sessions on the same day if it is for the same sport/activity.
- Some of our brochures throughout the year contain information on multiple school term/holiday periods so please be clear when booking your child whether you are booking your child to attend one term or multiple terms/programmes. Children will not automatically be booked onto future term activities – this is the responsibility of the parent/guardian to ensure they are booked.
- Staff will only be responsible for supervising children within the specified hours. Children should not be left early and must be collected promptly. If parents are happy to allow their children to walk home unaccompanied, please indicate this on the form or relay this when booking via phone.
- If you do not wish your child/ren to be included in any publicity photos/videos, please indicate on the application form or relay this information when booking via phone.
- Please bring a bottle of water or still juice to these activities unless otherwise stated.
- Participants will be able to learn and develop their skills in a fun and relaxed environment at these sessions. All equipment will be provided at these sessions for participants. Please ensure participants wear suitable clothing and footwear.
- For further information on any of the sports, please contact Sports Development on **01343 563657** or **07966 120515** – payments cannot be accepted on these numbers.

**Any household that has taken out a family membership through the Sport and Leisure Facilities section called 'Fit Life' will be able to book their child/ren onto the Sports Development sessions at no extra cost. When booking you will be asked for the main members (parent) membership card number, so that this can be verified in the system as being an active card member, so please have this information at your disposal. Please note that refunds will NOT be given if Fit Life memberships are subsequently taken out after payments have been made. For more information on this scheme, please contact the Business Support Unit on the number above.
