Insurance for Community Councils

As a public body, each Community Council is responsible for ensuring that an appropriate level of insurance covers its activities. To assist in this a standard cover has been arranged for all Community Councils by Moray Council. The premiums for this are paid directly to the insurers. A detailed description of the policy is provided to Community Council Secretaries annually.

Any additional premium due is the responsibility of the Community Council to pay.

When the Community Council is planning an event, a new project, or purchasing equipment they should contact the insurer to confirm if there will be any additional premium to pay.

Any queries in relation to this can be made to the CCLO. A copy of this should be available at each meeting.
