Moray Council
Moray Local Review Body

16th March 2018

Dear Sir/Madam,

Council Planning Review Body reference – LR/LR200
Planning Application reference – 17/01591/APP
Install an Orenda 49kw wind turbine (rotor diameter 18.9m).
Location: Land at Fieldhead, Newmill, Keith, Moray.

The Ministry of Defence (MOD) has received notification from Moray Council stating that the above planning application will be reviewed by the Council's Planning Review Body.

The MOD submitted a response dated 29th November 2017 to Moray Council raising no objection to the proposal. The MOD has reviewed this response in light of the Review and I can confirm that the MOD raises no objection to the proposal.

If planning permission is granted, the MOD would like to be advised of the following information;

- The date construction starts and ends;
- The maximum height of construction equipment;
- The latitude and longitude of the turbine erected

I trust that the above will be taken into account during the Review consideration. Should you require any additional information, please do not hesitate to contact me.

Yours faithfully

Laura Nokes
Senior Safeguarding Officer
