

WHAT'S FOR LUNCH?

- ◆ Lunches are provided by Moray Council where there is no cook in situ - this may be from a primary or secondary school in the ASG.
- ◆ If a partner provider has a cook we will pay the price of a nursery meal for each eligible child (£2.30 in 2018).

◆ A child is entitled to a funded nursery meal if they are in a funded place over lunchtime (12pm-1pm in local authority nurseries) - a partner provider CANNOT charge parents for either the service or lunch during this period if the child is entitled to funded hours.

- ◆ The nursery meals provided by Moray Council follow a one choice, six week cycle in-line with the school meals and menus can be provided at the start of term.
- ◆ Providers are able to set their own menus (in-line with current standards).
- ◆ The number of children requiring the nursery meal must be given to the Catering Supervisor at the kitchen supplying the meal by 9.30am to ensure the correct number are delivered.
- ◆ Payments will be made with the monthly funded places payments on the 28th of the following month - it's vital information is correct on NAMS for this to happen.
