Totals -	02:12	31.6	18.2	49.8

* In snow or ice conditions at Bridge of Brown, the gritter should continue to treat the A939 for approx 425 metres into Highland, and turn at the phone box / Stewarton Cottage junction.

~ During the landslip repair and cattle grid replacement works in Nov/Dec 2024, the gritter should turn at the U132H junction. The section of the A939 west of these works will not be treated during this period.

Note : At weekends/winter holidays the A939 to Aberdeenshire boundary is done first prior to A939 Main St to Bridge of Brown
