**Moray – 11<sup>th</sup> March 2020**

Landlord Accreditation Scotland (LAS) provide information for private landlords based on Scottish legislation and best practice within the industry. Becoming accredited with LAS, along with regular attendance at courses and information events, provides landlords with knowledge on key issues and how to implement change when required, ensuring they have the confidence to conduct their business in a professional manner.

The range of training courses provided by LAS cover both legislation and best practice in the private rented sector. It can be very difficult to keep track of the changes to legislation which affect our responsibilities as landlords and agents. The courses that are available to you cover all of these responsibilities and are updated in line with ever changing legislation.
