

COMMUNITY ASSET TRANSFER: ASSET TRANSFER REQUEST

IMPORTANT NOTES

Eligible Community Transfer Bodies have a right to submit an Asset Transfer Request under Part 5 of the Community Empowerment (Scotland) Act 2015 (the Act). However, there is no legal requirement that all requests must go through the process set out in the legislation where both parties are able to reach an agreement.

If you wish to make a request under the Act then you must state this clearly in the box at the bottom of this page. If you are in any doubt then please discuss this with the council's Asset Transfer Team before making your request.

You are strongly advised to contact the council's Asset Transfer Team by telephone on 01343 563915 or by email to CAT@moray.gov.uk to discuss your proposal prior to making a request.

All community bodies intending to make an Asset Transfer Request to Moray Council are encouraged to take advantage of our pre-application advice service beforehand. This can help improve outcomes and ensure that your request can be processed as quickly as possible through the most appropriate route.

Please complete all sections of this form as fully as possible (if a question is not applicable please mark with N/A) and, where possible, submit the form electronically to CAT@moray.gov.uk.

Section D:

Reasons for Request

1. Community Proposal

Please set out the reasons for seeking an asset transfer and describe how the land or building is intended to be used.

(This should explain the objectives of your project, why there is a need for it, any development or changes you plan to make to the asset, and any activities that will take place there.)

The Three Kings Cullen Association seeks a community asset transfer of the Community and Residential Centre from Moray Council.

We commissioned an independent valuation of the site — which valued the asset at £150,000 in March 2018. We are seeking a discount of 85% taking into account the economic, social and environmental benefits being delivered from the asset by our organisation to the local and wider community and improvements carried out to the building since the valuation was carried out.

In a wide variety of difference ways, since taking on a lease for Cullen Community and Residential Centre from The Moray Council in September 2018, The Three Kings Cullen Association have fully demonstrated their competence and preparedness to secure a community Asset Transfer on behalf of the people of Cullen and Deskford.

Our Business Case contains details of 9 pillars of excellent practice relating to:

Skilled Management, Increased Footfall in both Community and Residential Sectors, Financial transformation, Capacity to respond to serious community need (public toilets), Provision of responsible employment, Creation of opportunity for Volunteering, Collaborative working and Innovative learning opportunities.

Further information can be found in our full Business Case which accompanies this form.

	Benefits of the Proposal ease set out the benefits that you consider would arise if the proposed request
	ere to be agreed.
Ple	his should explain how the project would benefit your community and others. ease refer to the Scottish Government Guidance document on how the Council will nsider the benefits of the request.)
T	he benefits are outlined in Section 4 of our Business Plan

(Re	strictions might include, amongst others, environmental designations such as a
Site	of Special Scientific Interest (SSI), heritage designations such as listed building fus, controls on contaminated land or planning restrictions.)
