# *Aberlour Community Association SCIO*

Scottish Charity Number: SC009817

Aberlour Community Association gratefully acknowledge the unanimous support received for our CAT application which will enable us to return the Alice Littler Park to community ownership. We recognise that the Park is an important asset to Aberlour and we will ensure that it remains the permanent home of the Aberlour Strathspey Highland Games.

ACA are confident that, given our previous successes involving asset transfers of the Old Station Tearoom, Speyside Visitor Centre and Public Toilets, we can deliver on our commitment to the community of Aberlour that the Park will be regenerated and maintained as a leisure area for future generations, thereby ensuring that the wishes of the late Sydney Littler are duly honoured.

We welcome the support of and input from key stakeholders in order to achieve this.
