Alison

As far as Fochabers & Lhanbryde goes, I don't think there are any changes required.

Thank you for your letter. We have no issues with Fogwatt Hall continuing to be used by Moray Council for election purposes.

Kind regards

Good afternoon Alison,

In response to your letter of 7th October, as far as I am aware, there are no issues regarding the availability of the hall being designated as a polling place, in the future.

However, as I shall be resigning my position as Secretary for the hall at our AGM on 26th November, any further communication should be, more correctly addressed to "The Secretary", as I am unsure who will volunteer to fill my position! This email address would still be operational, in the event of queries etc.

If any further Information is required in the meantime regarding the hall, do please let me know, and I shall be happy to help.

With kind regards
Fiona Burnett

Dear Ms Davidson,

Just a note to confirm that Glenlivet Public Hall are happy to continue as a *Polling Place*.

Hi Alison

Just a few concerns for the up and coming and future elections in Cullen. This is just some of the comments I have received and have heard out and about in the town;

Cullen Bowling & Tennis Club

Too far from the town centre

Dark and no lighting (especially for November) it is spooky walking up that street it is not well lit and there is no lighting going in to the Bowling club through the car park Ramp was no use at the last election – apart from a mother who used it for her buggy

Ramp round the side

Steps at the front

Better if it was across the road from the Post Office – lots of pensioners collect their pension on a Thursday then crossed the road to the Memorial Hall to vote – a suggestion to get a room in The Seafield Arms Hotel (they do have a boardroom)

Dear Alison,

My only observation on the Polling Place Review is with regard to Portknockie where I wonder if it might be more convenient to use the Seafield Hall in the centre of the village?

Kind regards

Donald
