Jane welcomed everyone and explained that Paul MacPherson had resigned as chair. As the meeting was not quorate there could be no normal business.

The response from the group showed that there was considerable disquiet and a genuine feeling of appreciation for all Paul had tried to achieve. Jane said she had tried to get him to continue but he felt that the negative responses to his leadership had become intolerable.

Karen Delaney suggested that his positive and active role be acknowledged. Kay will send an appropriate card of appreciation.

Jane said that four chairs in three years was not a pleasant scenario. Unless more co-opted members were realised within the next two weeks Lennox Community Council would cease to function.

She said she would do her utmost to salvage the financial situation which would otherwise have a detrimental impact on the effective food banks and related benefits organised by Karen.

Christine joined the meeting at 7.55 She tendered her resignation.

The meeting closed at 8.13 with a renewed warning from Jane that more members needed to be on board within two weeks.
