Trustees' Annual Report

Objectives and Activities

Moray Council acts as sole trustee for 8 Connected Charity Trust Funds listed below which have charitable status and are registered with the Office of the Scottish Charity Regulator (OSCR).

The policy relating to the reinvestment of income in, and disbursement from, Trust Funds was amended on 8 October 2013. The policy was amended to allow disbursement of capital from Trust Funds in accordance with the trust deed, provided there is unanimity amongst the trustees. For all other trusts the whole annual income of the trust will be available for disbursement in accordance with the trust deed, provided sufficient funds are maintained to meet commitments.

The following table gives the OSCR charity registration number, the charity name and an indication of the purpose of each Trust. The only activity carried out by each of the Trusts in relation to those purposes is the making of grants.

Charity Number	Charity Name	Purpose

SC046791	The Moray Council Charitable Trust	Single Trust created for the reorganisation of existing funds that are restricted or have been fulfilled as far as possible. The trust purposes must follow those of the reorganised trusts. There are nine sub categories within the trust, by location and purpose.

Trustees' Annual Report (continued)

The Council agreed to a trust reorganisation process at a meeting on 14 November 2012; to create a single charitable Trust which would enable the reorganisation and transfer of assets of existing small charities held by the Council whose purposes could no longer be met.

The Moray Council Charitable Trust was created in August 2016 with the objective of reorganising existing trust funds that are frustrated, perhaps due to limited funds or out of date purposes, into one large trust, split into geographical areas then split again into charitable purposes. The Trusts being transferred into the single charitable trust will be utilised, as far as possible, in a manner consistent with the original Trust purposes.

This will create many ring fenced funds within the single Trust, but will enable the resources of these trusts to be applied to better effect for charitable purposes rather than remaining in a frustrated trust that cannot be used.

Applications are made to OSCR to reorganise and transfer the assets of existing qualifying Trusts into the new single charitable Trust, over a period of time.

During the year 2020/21, 23 connected charities were approved by OSCR to be reorganised into The Moray Council Charitable Trust and have since been removed from the Scottish Charity Register. For purposes of simplicity and transparency, as the reorganisation was approved mid year, the reorganised trusts have been shown in the Notes with their opening balances as at 1 April 2020. There is a separate line showing the transfer to The Moray Council Charitable Trust, and any income, expenditure allocated to these trusts are then shown under this one Trust. Prior year is still shown for comparison. The trusts reorganised this year were:

Achievements and Performance

During the year 13 grants totalling £16,600 were made to individuals from the Moray and Nairn Educational trust, which includes means tested grants for education within Moray and Nairn, and bursaries for attendance at further education institutions in Scotland. Grants totalling £2,501 were returned to the trust from 2019/20 and will be carried forward for redistribution in future years.

The Mr and Mrs William J Watt Dufftown Food Fund has been exhausted during the year and is in deficit at 31 March 2021 by £119. The Council plans to support the charity including funding that deficit and any future deficits until the charity can be reorganised or wound up.

Financial Review

The Moray and Nairn Educational Trust is an endowment fund, with income from investments allocated to an unrestricted fund of the trust. All other funds are unrestricted. This differentiation of funds is an essential feature in the presentation of a charity's statement of financial activities (SoFA) and balance sheet.

The trust funds use the Moray Council's bank account for financial transactions and the balance is invested in the Council's Loans Fund for which it earns interest on the balance. It was agreed at the Moray Council Emergency Cabinet meeting on 1 July 2020 that interest on balances held in the Council's bank would be calculated using a two year fixed PWLB rate as at 1 April 2020 of 2.10%. Income received during the year was £22,624 (2019/20 £24,881). This was made up of £9,022 interest received from the Council's Loans Fund and £13,602 of dividend income (2019/20 £6,477 and £18,404 respectively).

Trustees' Annual Report (continued)

Grants totalling £14,099 were paid out during the year (2019/20 £12,727). There were 4 grants returned to the Moray and Nairn Educational trust relating to 2019/20 and another grant awarded in 2019/20 and expected to be paid in 2020/21 didn't go ahead, at a total of £2501, and Note 4 is net of the £2,501 returned payments. Governance costs for the year were £13,021 (2019/20 £6,485).

The Trust Funds have no specific reserves policy other than noted above regarding disbursement of capital and annual income. For many of the trust funds, the terms of the trust deed are very restrictive and this has resulted in a gradual accumulation of reserves over time. In the event that an individual trust fund falls into deficit, the trustees will consider whether it is likely that the deficit is temporary and can be recovered. If deficit recovery is considered unlikely, the Trust is effectively wound up and an application will be made to OSCR to remove them from the Scottish Charity Register.

The revenue reserves held at 31 March 2021 were £978,153 (31 March 2020 £869,161).

Plans for Future Periods

The next stage of reorganisation is to continue reviewing any trusts that can be reorganised and seek approval from OSCR to transfer into TMCCT.

Structure, Governance and Management

The trustees of the funds are the councillors listed on page 5. The trustees of the funds are the local Councillors who are appointed at local government elections and by-elections.

The trust funds are governed using the same governance framework that is applicable to the Council. This framework includes the principles:

- taking informed and transparent decisions which are subject to effective scrutiny and managing risk
- engaging with local people and other stakeholders to ensure robust public accountability.

Statement of trustees' responsibilities

The trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and regulations.

The law applicable to charities in Scotland requires the trustees to prepare financial statements for each financial year. Under that law the trustees have prepared the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under that law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at anytime the financial position of the charity and enable them to ensure that the financial statements comply with the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 (as amended) and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the charity and financial information included on the Moray Council's website in so far as it relates to the charity. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Trustees

In terms of the "Trustees" of the Connected Charity Trust Funds, the guidance provided by OSCR is that those who have "general control and management" of the charity are the charity trustees. Decisions regarding the general control and management of the Connected Charity Trust Funds are made by the Policy and Resources Committee of the Council, which has delegated authority from the Council in this regard; but ultimately control rests with the full Council of elected members. We have therefore interpreted the above guidance as meaning all elected members are charity trustees.

All of the trustees for the financial statements are normally elected or re-elected at local government elections. By-elections are held to elect new members, on the occasions of elected members vacating their positions, who automatically become trustees.

Note 5 Investments

There is only one trust with investments; Moray and Nairn Educational Trust (SCO19017). The investments are all unit trusts managed in line with the investment policy of the trust. Investments are included at fair value as at the balance sheet date. The return on investment is made up of the income derived from the investment (e.g. interest and dividends) and any gain or loss in the market value of the investment. If a charity sells an investment, a gain or loss on the carrying amount of the asset is realised upon its disposal. Where a charity retains an investment, an unrealised gain or loss on the carrying amount of the investment may arise at the balance sheet date.

Trust law applies different rules to endowment funds. In an endowment, trustees cannot add the income from investments to the endowment capital; the income from the investment is allocated to the unrestricted fund. However, any gain or loss on investment is attributed to the endowment capital.

The gain/(loss) on Revaluation figure includes the movement in the market value of all investments held by the trust.

Note 8 Financial Instruments

The trust funds only have financial assets and financial liabilities of a kind that qualify as basic financial instruments per FRS 102. Basic financial instruments are recognised at transaction value. The financial instruments disclosed in the Balance Sheet are made up of the following categories:

Note 9 Related Parties

The trust funds use Moray Council's bank account for all transactions and the balance is invested in the Council's loans fund, for which it earns interest. There are no other outstanding balances due to or from Moray Council at 31 March 2021. The trustees are required by the Charities SORP to disclose material transactions with related parties; bodies or individuals that have the potential to control or influence the Trusts Funds, or to be controlled or influenced by the Trust Funds. The amounts paid by the Connected Charities to Moray Council for support services, including legal and finance costs, in 2020/21 was £7,691 (2019/20 £1,285). The reason for the increase in amount of support services is due to the increase in time dedicated to the reorganisation of the trusts by the Legal and Accountancy services.

Note 10 Trustee Remuneration, Benefits and Expenses

None of the trustees of the Trust Funds and no associated person connected with any of them have received any remuneration or any other benefit for their services. Further, no directly incurred expenses were reimbursed to the trustees during the year.

Note 11 Staff Costs and Emoluments

The Trust Funds have no employees and have not incurred any staff costs or emoluments.

Note 12 External Audit Costs

The Connected Charities incurred £5,330 of statutory audit fees for the audit of the Connected Charities Trustees Report and Financial Statements for the year ended 31 March 2021. This cost has been accrued in 2020/21 and allocated to each trust (£5,200 2019/20).

Note 13 Accounting Policies

Basis of Preparation

The financial statements for the charitable trusts have been prepared in accordance with the Charities: Statement of Recommended Practice 2015, commonly referred to as the SORP, in accordance with the Financial Reporting Standard 102 (FRS 102), which is effective for accounting periods beginning after 1 January 2015. The financial statements have been prepared under the historical cost convention as modified by the inclusion of investments at fair value, in accordance with the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended).

The financial statements are prepared on a going concern basis, and in accordance with applicable United Kingdom accounting standards. The principal accounting policies have been applied consistently throughout the year.

The Mr and Mrs William J Watt Dufftown Food Fund has been exhausted during the year and is in deficit at 31 March 2021 by £119. Having due regard to the Council's plans to support the charity, including funding that deficit and any future deficits until the charity can be reorganised or wound up, the Trustees are confident that this will be sufficient to enable the Charity to continue to meet its obligations as they fall due for the period of at least 12 months from the date of signing these financial statements and as such have prepared the financial statements on the going concern basis.

In line with Regulation 7 of the 2006 Regulations, these financial statements have been prepared on the basis that the Trust funds for which it acts as sole Trustee are connected charities. As such the financial statements for the individual charities have been prepared on a collective basis for the Council.

An amendment to the Charities SORP (FRS 102) issued by the Financial Reporting Council and published in February 2016 states the requirement for larger charities to prepare a statement of cash flow. The charitable trusts are not classed as a large charity and so a cash flow statement has not been prepared this year.

Fund Accounting

Unrestricted funds are spent or applied at the discretion of the trustees to further any of the charity's purposes.

Endowment funds represent those assets which must be held permanently by the charity. Income generated from endowment funds held for investment must be spent on furthering its charitable purposes.

Incoming Resources

Investment income and other income is accounted for in the period in which the charity is entitled to the receipt and the amount can be measured with reasonable certainty.

Resources expended

Expenditure is included in the financial statements on an accruals basis and recognised when the activity takes place and not simply when the cash payment is made.

Governance costs include the costs of the preparation and examination of statutory financial statements; legal advice to trustees on governance or constitutional matters and costs of administering grants.

Investments

Investments are included at fair value at the balance sheet date in accordance with the principles of the SORP.

Investment gains and losses include any gain or loss on the sale of investments and any gain or loss resulting from revaluing investments to fair value at the end of the period.

Other Matters

The Connected Charities is an arrangement that enables the trust funds for which Moray Council are sole trustees, and which are individually registered with OSCR, to be brought together and included in the Connected Charities Trustees' Report and Financial Statements. As registered charities, they are entitled to certain tax exemptions on income and profits from investments, and surpluses on any trading activities carried on in furtherance of the charities primary objectives, if these profits and surpluses are applied solely for charitable purposes.

The connected charities are a Public benefit entity as defined by FRS 102 in that their primary objective is to make grants to the individuals or community groups rather than with a view to providing a financial return to trustees. The Charitable Activities of the trusts are making grants in accordance with the trust deeds and in agreement of the Trustees.

There are no judgements, apart from those involving estimations, that the trustees have made in the process of applying the entity's accounting policies that have a significant effect on the amounts recognised in the accounts.

There are no key assumptions concerning the future, or other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next reporting period.
