| 101003091765 | Bullying | Partially Upheld | Head of Education | Two of the four heads of complaint were upheld. A specific behaviour support plan is being developed for pupil starting a new class with a new teacher. The school have reminded staff of how best to react to a similar situation should this occur in future. A review will take place after the Summer break of the strategies currently being used through the child's planning process. All staff should be aware of these in terms of meeting the needs of the pupil. A referral to SEBN (Social, Emotional and Behavioural Needs) will be made once the schools have returned from their break. |
