Moray Self-Build Register

Who we are

Moray Council, Council Office, High Street, Elgin, Moray, IV30 1BX, moray.gov.uk 01343 543451, is a Local Authority established under the Local Government etc. (Scotland) Act 1994. We are the Data Controller of the information being collected.

Why we are collecting your personal information

Moray Council, as a local planning authority, has a duty under section 16E of the Town and Country Planning (Scotland) Act 1997, as amended by the Planning (Scotland) Act 2019, to “prepare and maintain” a list of anyone interested in acquiring land for self-build housing in Moray. The information you provide will be used to create a Self-Build Register, which will be publically available on the Council’s website.

If you are interested in self-build in Moray, and would like to be added to the Moray Self-Build Register, you are invited to complete the electronic form available on the Council’s website. The form will ask you to input personal information including your name, address and email address.

Please note: your surname as input on the electronic form will appear on the public Moray Self-Build Register available on the Moray Council website.

The information you provide on the electronic form will allow us to register your interest in a possible future Self/Custom Home Build Scheme. This will help us to find out more about demand for self-build plots across Moray, where people would like their plot to be and the type of house they would like to build. We will also use this information to develop future planning policy and designations within the Local Development Plan.

Information you give us about other people

If you have provided anyone else’s details on the electronic form, please make sure that you have told them that you have given their information to Moray Council. We will only use the information provided to register their interest in a possible future Self/Custom Home Build Scheme.
