- Previous Minutes:** Peter Horton approved the Minutes and Roger Austin seconded them.
- Matters Arising:** Police Report: Roger brought up the subject of the speed of traffic in the police report. This was discussed at length. It was felt that a review of Ordiquish road was not what was asked for. Shona has contacted the relevant body. Donald thought it was scandalous doing a speed test in the wrong areas. Various topics were discussed concerning this. It was felt that the entrance coming into Fochabers beside the school also needed to be looked at as there were far too many cars being parked there. It was also noted that speeding was increasing throughout Scotland. Ordiquish has not been surveyed by the police. Donald said that he thought Moray Council was not communicating with people. An issue had been raised with the police. They had monitored it and said that it was fine that week.
- Correspondence:** An invite has been received from a new windfarm near Rothes. It is really outwith our area. Pringle thought that we would not be involved with this.
- Finance: £70 from Remembrance Sunday has been forwarded to Poppy Scotland. It was felt that everyone did a grand job on the day
- Treasurers Report:** Unchanged
