Why we are collecting your personal data

Personal data is collected from you when you complete a referral form or a referral form is completed on your behalf for the [Moray SONAS Wellbeing Service](#). The Council have contracted **Action for Children** to provide this Children and Young Adults Mental Wellbeing Service on the Council's behalf. The information provided on your referral form will be used by them so that they can contact you and your family to arrange visits to develop a support plan and/or assessment that's tailored to you as part of this support service.

SONAS provides a whole family support service, working with the immediate family to support the child or young person's mental wellbeing. As such, personal data including the child or young person's name, address, date of birth, contact details, gender, ethnicity, legal status (e.g. on the Child Protection Register), relevant health information as well as names and contact details of immediate family and emergency contacts, are collected.

Personal data we collect from other sources

Personal data about you will be collected when a referral form is completed on your behalf, this could be completed by a professional, such as a teacher or doctor, or, by a friend or family member.

Personal data you give us about other people

The referral form will ask for information about your family including names and contact details (phone number, email address and address) so that SONAS could contact them to provide this service.

If you have provided, or have been asked to provide, someone else's personal data for a specific purpose, for example as an emergency contact, if reasonable to do so then please make sure that you have told them that you have given their personal data to us for this purpose.

Act 2003. The Council also has obligations under Getting It Right For Every Child (GIRFEC), and, the Children and Young People (Scotland) Act 2014.

Personal data that counts as ‘special category data’, such as data about health, ethnicity and religion, must satisfy extra conditions when processed. We understand our legal basis in data protection law for processing this special category data to be Article 9(2)(g) as the processing is necessary for reasons of substantial public interest, on the basis of law. Our basis in law is set out in section 10(3) of the Data Protection Act 2018 (DPA), supported by Schedule 1, Part 2, Paragraph 6 of the DPA – statutory etc and government purposes; as the processing is necessary for the exercise of functions conferred under the Local Government in Scotland Act 2003 – the power to advance well-being.
