### **Description**

A traditional sandstone property with pitched slate roof and a mixture of cast iron and UPVC rhones & gutters. To the rear and west of the main building there are single storey extensions of harled brick/block construction with flat felt covered roofs and PVC rainwater goods.

Internal fitout benefits from electrical panel/storage heaters in the flat roofed extensions to the west and rear with wet radiator gas fired central heating in the main building, a mixture of plaster and suspended ceilings with neon strip lighting, predominantly carpeted floors, painted plaster walls and the entire building benefits from a security alarm and a mains powered fire alarm with numerous sensors and break glass points throughout the building.

Most office rooms benefit from electrical trunking with power and IT cabling in place.

A location plan can be accessed via this [link](#)

Rear area is laid out as gardens and a car park with 8 spaces and a dual AC Electric Vehicle charger.

### **Accommodation**

Ground Floor: Offices, toilets, store rooms, kitchen, comms room and reception area. Access to first floor. [Link](#) to floor plan.

First Floor: Offices, gents and ladies WC and access to second floor. [Link](#) to floor plan.

Second Floor: Offices (some height limitations due to coombed ceiling), lined attic area providing stores, boiler room and secondary fire exit route from top floor. [Link](#) to floor plan.

### **Services**

The property is served by mains electricity, gas, water and sewerage. Purchasers are required to satisfy themselves as to the condition and suitability of the property and all services.

### **Energy Performance Certificate**

An Energy Performance Certificate (EPC) has been obtained for the premises which gives the property a C rating as at July 2024. A copy of the certificate and recommendation report are available upon request.

### **Planning**

The property has been used as an office. The property is located at the heart of Buckie town centre and is considered to have potential for use as offices, retail or conversion to residential. Any proposal to use the property for an alternative to office use would require consent for change of use in terms of Planning and Building Control legislation which the applicant must obtain themselves.

It should be noted that the above advice is purely for guidance and is entirely without prejudice to the consideration of any formal applications for Planning Consent or Building Warrant by Moray Council.
