Statement in Support of Review

We are seeking a review of the decision to refuse planning application 24/01056/APP for a proposed Passive House at Tomnamoon, Moray. The refusal cites concerns regarding height, bulk, visual impact, and integration with the rural landscape. However, we believe the decision does not fully reflect either the physical context of the site or the policy direction set by the Moray Local Development Plan 2020 (MLDP) and National Planning Framework 4 (NPF4).

This review is being sought on the following grounds:

Precedent and Consistency of Decision-Making

The proposed dwelling is a logical design evolution of a house already granted Planning Permission in Principle on this site in 2022 (Ref: 21/01873/PPP), which included indicative drawings. It also builds on the design language and sustainability ethos of the nearby Darklass development — which Moray Council itself cited as an exemplar in the adopted Local Development Plan (p.45).

Have you raised any matters which were not before the appointed officer at the time your application was determined?

Yes ☐ No ☒

If yes, please explain below a) why your are raising new material b) why it was not raised with the appointed officer before your application was determined and c) why you believe it should now be considered with your review.
