

FOI Request - Fly Tipping Reports – 101003816084

1. Results are broken down into financial years to cover the last 5 years. The first set of tables show the locations of the fly tipping reports. They are broken down into the month of the incident, Ward area (8 Wards within Moray) and if they were in an Urban or Rural location within that Ward. The second set of tables break down the incidents into 6 main fly tipped item categories, and are total number of incidents, not number of items.

All reported incidents of fly tipping are uplifted as part of normal collections when the relevant vehicle is in the area. Household waste RCV collections for general waste, bulky furniture/white goods collection vehicle for furniture/electrical/tyres. As a result of this, most fly tipping is uplifted within 2 weeks of being reported and investigated.
