2. Not held. We do not record what each item is, just use general titles such as: household waste, furniture, tyres, etc. therefore cannot give numbers involving mattresses. Information that is not held falls under Section 17 of the Freedom of Information (Scotland) Act 2002 - Information not held.

3. Not held. We currently uplift fly tipping within our normal collection vehicles when they are in the area so we do not have separate costings for collecting or disposing of fly tipping items. Information that is not held falls under Section 17 of the Freedom of Information (Scotland) Act 2002 - Information not held.

Regarding Community Safety cost, however, **in addition to any cost of removal and disposal, there** would be an average of 2.5 hours of Community Warden time for investigation = approx. £52.87 per complaint.
