Amount payable as rates

7. Where the notional liability of any lands and heritages to which this Part applies, calculated in accordance with regulation 8, is more than the transitional limit for those lands and heritages, calculated in accordance with regulation 9, the amount payable as rates in respect of those lands and heritages is, subject to Part 3, that transitional limit.

Notional liability

8. The notional liability of any lands and heritages to which this Part applies, on any day, is to be calculated in accordance with the formula—

$$\frac{RV \times PF}{365}$$

where—

RV is the rateable value of those lands and heritages on that day, and

PF is the poundage figure of—

- (a) 0.548 where the lands and heritages have a rateable value exceeding £100,000,

Transitional limit

9.—(1) Subject to paragraph (3), the transitional limit of any lands and heritages to which this Part applies, on any day, is to be calculated as follows—

- (a) where the rateable value for that day exceeds the rateable value at revaluation on 1 April 2026, the transitional limit is calculated in accordance with the formula—

$$\frac{(BL \times X) + ((CRV - RV) \times PF)}{365}$$

- (b) in any other case the transitional limit is calculated in accordance with the formula—

$$\frac{BL \times X \times CRV}{365 \times RV}$$

- (2) For the purposes of paragraph (1)—

BL is the base liability of the lands and heritages, calculated in accordance with regulation 10,
CRV is the rateable value of the lands and heritages on the day with reference to which the transitional limit is calculated,

RV is the rateable value of the lands and heritages entered in the roll at revaluation on 1 April 2026,

PF is the poundage figure of—

- (a) 0.548 where the lands and heritages have a rateable value exceeding £100,000,
- (b) 0.535 where the lands and heritages have a rateable value exceeding £51,000 but not exceeding £100,000,

- (c) 0.481 where the lands and heritages have a rateable value of £51,000 or less, and
X is—
- (a) 1.500 where at revaluation on 1 April 2026 the lands and heritages had a rateable value of more than £100,000,
- (b) 1.300 where at revaluation on 1 April 2026 the lands and heritages had a rateable value between £20,001 and £100,000,
- (c) 1.150 where at revaluation on 1 April 2026 the lands and heritages had a rateable value of £20,000 or less.

(3) Where relief is granted under regulation 10C(a) (relief granted – financial year 2026-2027 - lands and heritages in respect of which a relevant increase has been made within the previous 12 months) of the New and Improved Property Relief Regulations the transitional limit is calculated in accordance with paragraph (5) of that regulation.

Base liability

- 10.—(1) For the purposes of regulation 9, the base liability of any lands and heritages is—
- (a) in the case of lands and heritages shown in a split or reorganised entry taking effect on 1 April 2026, to be calculated in accordance with the formula—

$$\frac{NL \times 365}{X}$$

where—

NL is the notional liability of those lands and heritages, calculated in accordance with regulation 8, and

X is—

- (i) 1.4 where at revaluation on 1 April 2026 the lands and heritages had a rateable value of more than £100,000,

- (b) in any other case, the deemed amount (or, in the case of a merged entry taking effect on 1 April 2026, the total deemed amount) calculated in accordance with paragraph (2).

(2) In paragraph (1)(b), the deemed amount in respect of any lands and heritages is the amount which would have been payable as rates in respect of those lands and heritages for the financial year ending 31 March 2026, had that amount been calculated on the basis of the rateable value of the lands and heritages on 31 March 2026, including any additional amounts of rates payable in terms of regulation 5 (amount payable as rates – lands and heritages with rateable value exceeding £51,000, but not exceeding £100,000) or 6 (amount payable as rates – lands and heritages with rateable value exceeding £100,000) of the 2025 Regulations, but before applying any reliefs.

(a) Regulation 10C is inserted by regulation 16 of these Regulations.

PART 3

Charitable and other reductions

11.—(1) This regulation has effect for determining the amount payable as rates in respect of lands and heritages on a day in the relevant year where—

- (a) that amount falls to be reduced by virtue of relief provided for in one or more enactments, other than Part 2 of these Regulations,
- (b) regulation 7 has effect as regards those lands and heritages on that day, and
- (c) regulation 12 does not have effect as regards those lands and heritages on that day.

(2) Where there is an entitlement to relief under both an enactment referred to in paragraph (1)(a) and under regulation 7, relief under the enactment referred to in paragraph (1)(a) is to be applied to the amount of rates payable after regulation 7 is applied.

Partially unoccupied lands and heritages

12.—(1) This regulation has effect for determining the amount payable as rates in respect of lands and heritages on a day in the relevant year where—

- (a) on that day those lands and heritages are subject to an apportionment under section 24A of the 1966 Act(a), and
- (b) regulation 7 has effect as regards those lands and heritages on that day.

(2) The amount payable is, subject to paragraph (3), to be calculated in accordance with the formula—

$$A \times \frac{ARV}{RV}$$

where—

A is the amount payable for the day determined under regulation 7,

ARV is the applicable rateable value, being the rateable value treated for rating purposes as the rateable value of the lands and heritages in terms of section 24A(2) of the 1966 Act, and

RV is the rateable value shown in the roll for those lands and heritages.

(3) Where—

- (a) this regulation has effect as regards lands and heritages on a day, and
- (b) the amount payable as rates in respect of those lands and heritages on that day falls to be reduced by virtue of relief described in regulation 11(1)(a),

the amount payable is to be determined in accordance with regulation 11(2) but as though for “regulation 7” there were substituted “regulation 12(2)”.

(4) This regulation ceases to apply where a merged entry takes effect on or after 1 April 2026, unless relief under regulation 7 applied in respect of the lands and heritages in each of the entries which forms part of the merged entry, immediately before the merged entry took effect.

(a) Section 24A was inserted by section 155 of the Local Government etc. (Scotland) Act 1994 (c. 39) and was amended by section 19 of the Non-Domestic Rates (Scotland) Act 2020 (asp 4).

Exemptions and discretionary reductions and remissions

13. Nothing in these Regulations—

- (a) requires rates to be paid in respect of lands and heritages for a day where those lands and heritages are entirely exempt from rates for that day under any enactment, or
- (b) prejudices the power of a rating authority to grant a reduction or remission of rates under section 3A or 4(5) of the 1962 Act^(a), section 25A of the 1966 Act^(b) or paragraph 4 of schedule 2 of the 1997 Act^(c).

 - (i) regulation 3 (amount payable as rates – lands and heritages with a rateable value of £20,000 or less) of the 2025 Regulations,
 - (ii) paragraph 3 or 4^(d) of schedule 2 of the 1997 Act (relief from non-domestic rates for general stores etc. in rural settlements: Scotland), where entitlement to the reduction is lost on 1 April 2026 as a result of an increase in rateable value of the lands and heritages above the limit provided for in—

(2) Where the net notional liability of any lands and heritages to which this regulation applies, calculated in accordance with paragraph (3), is more than the transitional limit for those lands and heritages, calculated in accordance with paragraph (4), the amount payable as rates in respect of those lands and heritages is that transitional limit.

(3) The net notional liability of any lands and heritages to which this regulation applies on any day is equal to the notional liability calculated in accordance with regulation 8, after any reliefs have been applied, including under regulation 7.

-
- (a) Section 3A was inserted by section 140(1) of the Community Empowerment (Scotland) Act 2015 (asp 6).  - (f) S.S.I. 2025/39.

(4) In respect of lands and heritages to which this regulation applies, the transitional limit, on any day, is to be calculated as follows:

- (a) where the rateable value for that day exceeds the rateable value at revaluation on 1 April 2026, the transitional limit is calculated in accordance with the formula—

$$\frac{DA + ((NNL - DA) \times 0.25) + \left(((CRV - RV) \times PF) - A \right) \times (100\% - Z)}{365}$$

- (b) in any other case the transitional limit is calculated in accordance with the formula—

$$\frac{(DA + (NNL - DA) \times 0.25) \times CRV}{365 \times RV}$$

where—

A is the amount of relief granted under regulation 10C of the New and Improved Property Relief Regulations in respect of the day with reference to which the transitional limit is calculated, multiplied by 365,

RV is the rateable value of the lands and heritages on 1 April 2026, and

Z is the percentage of relief other than relief under regulation 10C of the New and Improved Property Relief Regulations granted in respect of the day with reference to which the transitional limit is calculated.

(5) For the purposes of this regulation the deemed amount in respect of any lands and heritages is the amount which would have been payable as rates in respect of those lands and heritages for the financial year ending 31 March 2026, had that amount been calculated on the basis of the rateable value of the lands and heritages on 31 March 2026, including any additional amounts of rates payable in terms of regulation 5 (amount payable as rates – lands and heritages with rateable value exceeding £51,000 but not exceeding £100,000) or 6 (lands and heritages with rateable value exceeding £100,000) of the 2025 Regulations, and after applying any reliefs.

(6) Where regulation 7 has effect as regards the lands and heritages, the question of whether the transitional limit applies is to be determined by reference to the amount of rates payable after regulation 7 is applied.

(7) Relief under this regulation may only be granted where an application is made in accordance with regulation 15.

(8) This regulation does not apply to lands and heritages which are wholly or mainly used for a purpose for which a short-term let licence is required in accordance with article 4 of the Civic

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations make provision as to the amount payable in certain circumstances as non-domestic rates in Scotland. They apply to the financial year 2026-2027. The Regulations do not apply where a non-domestic property is shown in a merged, split or reorganised entry in the valuation roll which takes effect during the financial year 2026-2027.

Part 1 makes provision as to citation, commencement and interpretation.

Part 2 deals with amounts payable in respect of lands and heritages which were shown in the valuation roll as at 31 March 2026 and 1 April 2026 (i.e. that were on the valuation roll at the end of the 2025-26 financial year and the beginning of the 2026-27 financial year). Regulation 7 provides that, for every day of the financial year 2026-27, the notional rates liability for a non-domestic property (that is, the gross amount ordinarily payable as rates before any reliefs are applied, calculated in accordance with regulation 8) must be compared against that property's transitional limit, calculated in accordance with regulation 9. If the notional liability is more than the transitional limit, the amount payable will be capped at the transitional limit. The transitional limit is calculated by multiplying the base liability of the lands and heritages, calculated under regulation 10, by whichever is the appropriate factor as provided for by regulation 9.

Part 3 deals with the interaction between the transitional relief provided for in Part 2 and other reductions, remissions and exemptions. Regulation 11 provides that where any relief from liability to non-domestic rates applies (other than relief under Part 2), and provided regulation 12 does not apply, the amount payable is to be determined by first calculating the amount payable in accordance with regulation 7 and then applying the reduction specified in the enactment referred to in paragraph (1)(a) to that amount. In other words, where there is an entitlement to relief under both this regulation and regulation 7, relief under this regulation is to be applied to the amount of rates payable after regulation 7 is applied.

Regulation 12 provides for calculation of rates liability in respect of lands and heritages which are partially unoccupied, and to which regulation 7 applies, where there is an apportionment between the rateable value of the parts of the lands and heritages which are occupied, and those which are unoccupied. In determining liability, the rateable value is taken to be the figure attributed only to the part of the property which is occupied.

In terms of regulation 13, nothing in the Regulations requires the payment of rates on property on a day on which it is entirely exempt from rates under any other enactment, or prejudices the power of a rating authority to grant discretionary reductions or remissions.

Part 4 (regulation 14) provides for a cap on increases in rates liability for certain ratepayers, namely those who, on 31 March 2026, had entitlement to relief from liability in respect of particular lands and heritages under regulation 3 of the Non-Domestic Rates (Levy and Miscellaneous Amendment) (Scotland) Regulations 2025 (known as small business bonus scheme relief), relief under schedule 2 of the Local Government and Rating Act 1997 (rural property relief), hospitality relief under regulation 4 of the Non-Domestic Rates (Hospitality Relief) (Scotland) Regulations 2025 or small business transitional relief under regulation 14 of the Non-Domestic Rates (Transitional Relief) (Scotland) Regulations 2025. In relation to rural property relief, the cap applies only where entitlement to the relief was lost on 1 April 2026 as a result of an increase in rateable value taking it above the applicable limits in article 3 of the Non-Domestic Rating (Rural Areas and Rateable Value Limits) (Scotland) Order 2005. The cap can be relied upon as an alternative to reliance on regulation 7. Alternatively, where it is in the ratepayer's interests to rely on both regulations 7 and 14, regulation 14(6) provides that relief under regulation 14 is to be applied to the rates liability arrived at through applying regulation 7. The cap does not apply where a property was granted relief under regulation 3 of the Non-Domestic Rates (Levy and Miscellaneous Amendment) (Scotland) Regulations 2025 on 31 March 2026 but is not in receipt of relief under regulation 3 of the Non-Domestic Rates (Levy and Miscellaneous Amendment) (Scotland) Regulations 2026 on 1 April 2026, because a short-term letting licence is

required and has not been obtained. The cap lasts for so long as the ratepayer entitled to relief as at 31 March 2026 continues to be liable to pay rates in respect of the particular lands and heritages.

Part 5 deals with general matters. Regulation 15 provides the process for making an application for relief. An application is required for relief under regulation 14.

Regulation 16 makes amendments to the Non-Domestic Rates (Relief for New and Improved Properties) (Scotland) Regulations 2022 (“the 2022 Regulations”) to reflect the interaction between transitional relief and new and improved property relief. Regulation 16(3) inserts a new regulation 10C into the 2022 Regulations. This makes provision as to how the transitional limit is to be calculated in relation to the financial year 2026-2027 where relief is granted to properties improved by refurbishment, expansion or construction. Regulations 16(2) and (4)(a) and (b) make consequential changes to regulations 9 and 11 of the 2022 Regulations, to reflect the insertion of regulation 10C. Regulation 16(4)(c) updates the list of provisions in regulation 11(3), to be used to calculate entitlement to relief additional to that provided for by regulations 10, 10A, 10B and 10C.
