

LIAP – Pre Multi Agency Involvement

NB. A solution oriented meeting can take place at any point in the process. Have regard to issues of consent to share information. Lead Professional to contact relevant others and explain the purpose and aims of the meeting.

LIAP – Multi Agency Involvement

Action

Process

Reference

Lead Professional forwards copy of Child's Plan 1 to LISO. If a meeting is requested, LISO will organise in discussion with LP

Lead Professional re-visits discussion on information sharing with child/family and discusses involvement of other agencies

Stage 2

Lead Professional seeks initial assessment information from agencies and updates Child's Plan (1 or 2 – see guidance in procedures)

Lead Professional involves LISO

Lead Professional initiates pulling together a Team around the Child

Stage 3

Lead Professional establishes who's involved already and who could contribute to Child's Plan

Team agrees an action plan and agrees a Lead Professional for next phase

Stage 4

Lead Professional integrates Team contributions into Child's Plan 3 (review report) to take to review meeting if required

Agreed work is carried out

Stage 5

Intervention is reviewed

Stage 6

- Ways Forward:**
1. Re-assess need? (Child's Plan 2)
 2. Reconfigure Team?
 3. Record new action plan?
 4. Outcomes achieved – end?
 5. Inform LISO of end of work

NO

Are we meeting child's needs now? (Outstanding or new needs)

YES

End
