INFORMATION FOR CHILDREN

Getting It Right For Every Child is a programme from the Scottish Government to make sure all Scotland's children are healthy and happy.

Getting It Right For Every Child is about:

- Helping you make your life as good as it can be
- Helping you with any problems you might have
- Giving you choices in your life as you get older
- Making sure the adults in your life respect you, no matter where you live, what colour you are, what language you speak or what religion you have
- Making sure the adults in your life support you in any way they can as you are growing up
- Keeping you safe from harm and helping you sort out any problems
- Listening to what you say
- Making sure you understand what is happening to you
- Everyone around you helping you to be part of the area you live in
- Everyone around you doing the best they can to support you, helping you to speak up for yourself and make your own choices

Getting It Right For Every Child is about helping you to make the most of your life.
