Dear Sir

**Town and Country Planning (Schemes of Delegation and Local Review Procedure)  
(Scotland) Regulations 2008**

**Request for Review: Planning Application 09/00247/FUL – Planning permission for  
the erection of two 800kw wind turbines at Myreton Crossroads, Keith**

At the meeting of the Moray Council Local Review Body (MLRB) on 22 April 2010 it was agreed that an unaccompanied site inspection be carried out following expiry of the submission of responses to the written submissions procedure. Accordingly arrangements have been made for members of the MLRB to view the development site from a number of vantage points within the vicinity taking into account the content of the Report of Handling and the applicant's submissions. The site inspection will take place on the morning of Monday 28 June 2010.

Members of the MLRB will neither be making a decision upon the application nor be discussing it on the site inspection but rather will only come to discuss it when the Request for Review is re-submitted to the MLRB for further consideration on Wednesday 30 June 2010.

As previously advised a copy of all documents and notices in respect of the Notice of Review to be submitted to a meeting of the MLRB will be made available for public inspection, prior to the meeting, at the Access Point, Council Office, Elgin and via the Council's Internet website [www.moray.gov.uk/minutes/listdocs.html](http://www.moray.gov.uk/minutes/listdocs.html) from Thursday 24 June 2010.

Yours faithfully

Clerk to the Local Review Body
