Subject: Dorenell Wind Farm Site inspection arrangements

Dear All,

The Reporter wishes to conduct his accompanied site visit take place on 14 September. The site visit would take in those locations highlighted as requiring an accompanied site inspection on the plan attached to Mr Sale's e-mail of 30 July. The other locations identified (including those referred to by Mr Graham), Mr Thomas will do on an unaccompanied basis. A good meeting point would be the Glenfiddich Distillery car park, as suggested in Mr Steele's e-mail of 6 July.

He proposes 10:00am as the starting time. Mr Thomas thinks it would be helpful if the applicant could make a vehicle(s) available for the site inspection, provided all parties are in agreement that this is acceptable. You will note this email has been sent to parties participating in the landscape and visual impact inquiry session .

I look forward to hearing from you all in due course with your availability to this date, please ensure that you copy parties detailed above into any replies to me.

Many thanks

Yours Sincerely

JAYNE HOLLAS
