Criteria for the Community Group Award

An award will be made to the group who demonstrate good citizenship by making an outstanding contribution to their local environment or surrounding neighbourhood. Any kind of positive community work will be considered, from tackling anti-social behaviour or vandalism to creative work in the local community. The winning young people must demonstrate some or all of these characteristics:

- Improving the environment of their local community;
- Promoting citizenship within the group itself and their community;
- Showing a positive attitude towards the community.

Part C How does the group meet the criteria?

Please only include additional supporting evidence if vital – maximum one A4 page and up to 4 photographs

Group Leader's Comments – this should clearly confirm you approve this nomination going forward representing the organisation

Part D Nominee's Consent

I hereby give permission for the use, disclosure and publication of the information and material submitted as part of this application. It will only be used for purposes related to the administration and promotion of this Award Scheme.

The Rotary Club will select one winner from the Awards to be nominated as Elgin Rotary Club's entry into the National Young Citizens Award and if successful, the nominee will be invited to the national finals. I hereby give permission to be included in this process if I am successful.
