Director, Trunk Roads Network Management Advice

1. The Director does not propose to advise against the granting of permission
2. The Director advises that planning permission be refused (see overleaf for reasons).
3. The Director advises that the conditions shown overleaf be attached to any permission the Council may give (see overleaf for reasons).
4. In issuing planning permission the applicant should be informed that the consent does not carry with it the right to carry out works within the trunk road boundary and that he must consult with Transport Scotland, Trunk Roads Network Management Directorate through its Management Organisation (see below) on the terms and conditions, under Roads legislation, that require to be agreed to enable works within the trunk road boundary to be approved (see overleaf for trunk road details).

NB - SDD Circular 29/1988 - Notification of Applications - Annex D.

Planning Authorities are requested to provide Transport Scotland, Trunk Roads Network Management Directorate with a copy of the decision notice. Reference should be made to the General Development Order regarding procedures to be adopted in the event that Trunk Roads Network Management Directorate advice is not accepted.

(July 1999)

CONDITIONS to be attached to any permission the Council may give:-	
	(Refer to Item 3, overleaf)

REASON for the advice at 2, or 3:-	
1.	(Numbered as above) The proposed development would result in increasing the number and type of vehicles using the southerly access entering and leaving the traffic stream at a point where visibility is restricted thus creating interference with the safety and free flow of the traffic on the trunk road. (continue on separate sheet if required)

DETAILS of works necessary within the trunk road boundary:-	
	(Refer to Item 4, overleaf) (continue on separate sheet if required)

Signed:-  Fred Abercrombie (on behalf of the Director) Transport Scotland, Trunk Roads Network Management Directorate, Buchanan House, 58 Port Dundas Road, Glasgow, G4 0HF (Tel: 0141 272 7388)	Date:- 30 April 2010
