Dear Sirs,

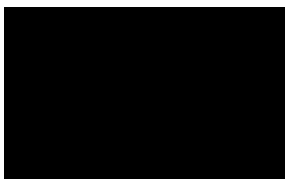

Request for Review: Planning Application 10/00844/APP

I refer to the above Request for Review and would like to restate the original objection on behalf of our North Scotland Division as owner of 16 Mid Street, Findochty.

The objection remains on concerns over increased vehicular traffic and road safety in this corner location and the potential detrimental impact on the value of our property at 16 Mid Street.

In addition the Division would like to comment that in their view the grounds for appeal do not overturn the Director of Planning's original grounds for refusal.

Yours faithfully

Maggie Reid
