

APPLICATION FOR PERMISSION TO PLACE TEMPORARY
FOOTWAY/FOOTPATH SIGNAGE

Signs and locations must be approved in writing by the Transportation Section of Moray Council. This application is restricted to signage within footways/footpaths. Signs outwith the road boundary are dealt with by the Planning Service. This policy is also restricted to roads within the control of The Moray Council as local roads authority, that is, it does not apply to private, unadopted or trunk roads (i.e the A95 between Keith and the boundary with Highland Council or the A96)

The Moray Council has expressed a desire to cater for the needs of local businesses where possible without compromising pedestrian safety. The policy (which is available from the Transportation Section of the Moray Council and on the website) sets out the conditions and restrictions to be met
