Regarding money in C.C. bank account there were a couple of suggestions put forward.

Money could be put forward to buy a Christmas light with our name on it and/or to purchase and place a bench up at toll bar junction (there are a number of elderly people who use the path daily , so we think it could be made good use of). Cllr A. McKay to look into the anti- vandal style benches and to see if permission would be required to site a bench there.

No further business

Meeting Closed at 7.30pm.
