Hello Keith,

Following a site visit to 6 Sterlochy Street, I am still of the view that the roof extension is not in keeping with the parent house or the conservation area.

At the moment the roof extension needs to integrate more with the existing roof. It may mean the extension being built up from the wallhead. Alternatively, extending the existing extension further out into the garden.

Please let me know how your client wishes to proceed.

Kind regards

Subject: extension at 6 Sterlochy Street, Findochty

Hi Cathy,

Further to our meeting last week and your site visit to the above property, can you advise as to your thoughts on this proposal. As I have not heard from you I trust all is in order.

regards Keith
