He proposed that a Committee be formed to develop a Community Awards Scheme and outlined the potential benefits of such a scheme to the City and Royal Burgh of Elgin.

Alastair Kennedy & Anne Glover recalled previous schemes. David Chapman said it was good to showcase the community. Various members commented on the geographical area and it was suggested that Elgin should be the limit to start with. George Littlejohn and Steven Christie noted that wide area groups would be a problem for an Elgin Scheme. Nancy Robson added that the awards should be for volunteers not people doing employed work.
