HELD ON THURSDAY 4TH JULY 2013

Present : Les Morgan, Gordon Methven, Alastair Kennedy and Tracey Rae

Matters arising from Previous Minutes

Speyside : Gordon advised the Police no longer have 'Beat Boundaries' – it is understood a proposed boundary has been presented to Dufftown & District Community Association for consideration.

Dufftown Promotion – Alastair will contact Dufftown representatives to discuss what promotional material and support they would like from the Sub-Group. Provisional dates were agreed as w/c 26th August for promotion and w/c 2nd September for an open event (if required) **Action: AK**

Finderne – Les advised he had contacted both Edinkille Community Association and Rafford Village Hall to offer assistance with promotion. He felt there was not an appetite for an open event although he still considered there to be interest from some individuals in forming a Community Council. Following discussion it was agreed to provide printed pamphlets and posters to both these groups with a request to distribute them widely in the area. Tracey will discuss with CSU colleagues visiting the area to display posters and leaflets. **Action: TR**

Rathven & Arradoul – Alastair attended a recent R&A CC meeting – there was support from Buckie CC members and this proposal has been included in the current consultation.

Parent Council – Tracey and Jane to liaise and send a further letter to Parent Councils at end August. **Action: TR / JM**

Northern Scot – Alastair to contact Mike and clarify who is arranging interviews with Elected Members and timescales. **Action: AK**

MFR – Tracey will arrange promotion within the 'Community Action' section.
