Peter,

I have attached the accident data and the traffic data supplied by Moray Council for your records.

Have you had a chance to read the Transport Statement I sent through yesterday. If you are happy with this, including the recommendations, I will add the appendices now and sent the report for you to print off before your meeting.

Kind Regards,

Kevin

Traffic survey

Kevin

I understand that Peter has just completed the payment, so I now provide you with the traffic survey data as agreed.

There are two sets of survey data included in the spreadsheet. One has only one days full data so although it has been included, your client has not been charged for it.

Best regards,
Andy
