## Key to Colour Coding of Applications within Appendices to the Agenda of Business for the Moray Licensing Board

All matters are to be heard by the Moray Licensing Board and the Moray Licensing Board has the final decision. However, in accordance with Government Guidance and locally agreed procedure, applications may be submitted to the Board with a general recommendation.

Please note that colour coding may be subject to change given the nature of the licensing procedure. Documents may be received and/or negotiations resolved following publication of the agenda.

RED

Indicates that the application will normally require to be heard, whether by virtue of general procedural rules or as a result of problems arising. There may be ongoing negotiations to resolve problems.

YELLOW

Indicates changing circumstances with the application. It is not ready to be granted at the time of publication but there are not normally major problems e.g. procedural issues or ongoing negotiations. Applications will normally be submitted with recommendation for grant or deferral.

GREEN

Indicates that all is in order with the application. All documents have been received and checked. All procedures have been followed. There are unlikely to be any representations, objections or problems or the same have been resolved. It is being submitted with a recommendation for grant but members are free to make enquiries as they see fit.
