Morning Martin,

I Have discussed this application with my line manager who has advised that as the window is on the boundary, the window should be conditioned out or opaque glazing installed. I think in this instance it would be better if the window was omitted altogether.

Please discuss with your client and an amended plan should be submitted by the end of the week (before the 8 week expiry date) otherwise I will determine the application as submitted.

I am out of the office until 2pm this morning if you wish to discuss further.
Kind regards

Cathy Archibald
