## RE – EQUALITY & HUMAN RIGHTS COMMISSION IN SCOTLAND

Please find attached an information update about the work of the Equality & Human Rights Commission (EHRC) in Scotland. The update also contains details of how to contact our senior staff teams should you need advice or information. As part of our commitment to being an open and accessible organisation we are intending to visit every local Authority in Scotland during 2008 to meet with key stakeholders to discuss local and national issues. We would be delighted to meet with elected members and senior officials from your Council and would be grateful if you could suggest a date when this might be possible. We would also be happy to speak at any equality and human rights public event or meet with your Community Planning partners, which might coincide with this visit.

If you would like to take up this offer I would be grateful if you could contact Donna Forrest on 0141 228 5954 or email [Donna.Forrest@equalityhumanrights.com](mailto:Donna.Forrest@equalityhumanrights.com) to discuss arrangements. Thank you for your attention to this matter.

Yours sincerely,

Ros Micklem  
National Director Scotland
