Figures for 2007/08 presented in this publication do not match those originally published in December 2008. Prior to publishing the follow up survey (Follow up Survey of Leavers from Scottish Schools: Leavers from School Year 2007/08: <http://www.scotland.gov.uk/Publications/2009/06/follow>), a rematching exercise was carried out to improve the accuracy of the statistics. Details can be found in a Technical Note (<http://www.scotland.gov.uk/Publications/2009/06/followtech>), and the methodology has been used again this year.
