2. RECOMMENDATION

- 2.1 **The Committee is asked to approve the adoption of the roads scheduled in the attached Appendix to the Statutory List of Public Roads.**

3. BACKGROUND

- 3.1 The Moray Council as Roads Authority is required under the Roads (Scotland) Act 1984 to adopt to the Statutory List of Public Roads sections of roads which have been constructed by developers in accordance with the Council's specification.

4. SUMMARY OF IMPLICATIONS

- (a) **Single Outcome Agreement/Service Improvement Plan**

None.

- (b) **Policy and Legal**

None.

- (c) **Resources (Financial, Risks, Staffing and Property)**

These roads have been constructed to an approved specification therefore for the foreseeable future works on them should be restricted to cyclical maintenance e.g. gully emptying, sweeping, street lighting, etc and will therefore result in a small additional burden on the revenue budget.

- 5.1 The roads indicated on the schedule in the attached Appendix "Additions to the Statutory List of Public Roads" have been constructed in accordance with the specification to the satisfaction of the Transportation Manager and are now eligible for adoption in terms of the appropriate legislation.
