	increasing. Work	rk plan 2009/10 completed.	
--	------------------	----------------------------	--

Required Actions/commitment by local partners for these outcomes - People in Moray have improved mental wellbeing

Project	Objectives/Comment – 08/09	Lead	Year	Project Milestone ×cale	Progress	Identify Cross- Cutting issues	Contact details
Implement Mental Health Delivery Plan	Service Improvement Plan	CPP	08/09		Moray based sub groups all progressing against own action plans. Development of Integrated Care Pathways is the vehicle to meet the delivery plan targets. Reductions of Re-admissions target has been achieved. Increase in primary care based psychological services and self care materials aimed at those with mild depression has been implemented in 2009. Increase in resources for dementia care with recruitment of a Clinical Psychologist and planned recruitment of additional SW time, nursing and OT time planned for rest of 2009 to support all agencies manage those with dementia. Suicide prevention training for care staff groups is on target.	Development of dementia strategy requires involvement of all agencies.	Mike Perera
Support action in "towards a mentally flourishing Scotland"	NHSG priority	MCHSCP	08/09		Moray will be involved in developing the action plan. Locally, increasing access to further education for those with serious mental illness pilot with LEAD Scotland has commenced and will report in June 2009.	Social inclusion work as per Sections 26 to 31 of the Mental Health Care and Treatment Act.	Mike Perera
Build on the Scotland's Health at Work programme, and in particular mental health and wellbeing policies	JHIP NHSG priority	MCHSCP	08/09		Staff web site up and running. Staff survey will report in June. Self care materials available to all staff. Endowments have supported a pilot complementary therapy for stress relief for staff.		Mike Perera

Required Actions/commitment by local partners for these outcomes - Increase the proportion of people needing care or support who are able to sustain an independent quality of life as part of the community.

Project	Objectives/Comment -	Lead	Year	Project Milestone	Progress	Identify Cross-	Contact details
	08/09			×cale		Cutting issues	
Develop the use of tele-care, preventative and rehabilitation services	Service Improvement Plan	CPP	08/09		Strategy is in the process of development. Provisional completion date- November'09		Jane Mackie
Develop housing/support models for older people in their communities	Service Improvement Plan	CPP	08/09		No progress made, discussions ongoing.		Robin Paterson

Increase pro-active work with people at risk of admission to hospital	Service Improvement Plan	CPP	08/09		Contract agreed with ATOS (Development Consultants). Detailed work programme is currently being developed.	Jane Mackie
Implement Carers Strategy	Service Improvement Plan	CPP	08/09		Implemented. Contract with Quarriers (service provider) begins April'09.	Jane Mackie
Implement Moray Older People's Strategy	Service Improvement Plan	CPP	08/09		Consultation completed. Older People's Strategy will be ready for Council approval by end of April'09.	Jane Mackie
Implement Learning Disability "Same as You" plan	Service Improvement Plan	MCHSCP	08/09	Plan is 2007-2010	Continuing to progress. A Full report will be available in the next quarter. The strategy has 11 themes, which are being progressed over a 3-year period. 1. Enabling and sustaining independence. Work is actively underway to complete the governments Capacity planning toolkit to help us predict the future need for services. A self advocacy group for child in transition is in place Robust risk assessment processes are in place. 2. Promoting Inclusion. Community relationships are very positive with good connections with schools Etc. A Grampian Group is actively taking forward accessible information for LD. Sexuality training has been introduced to the Moray College. 3.Meeting Specialist Health care needs. Specialist support available to all Health services to enable people with LD to access the services appropriately. Still need to develop better systems for enabling people with LD to get appropriate appointment times, etc. Although they are available sometimes. 4.Safety and Protection. Adult Protection Act implemented with Adult Protection unit in the process of being recruited to. 5.Record Keeping and communication.	Anne Slee
