

Museums Accreditation

A report was prepared on the future of Museums Accreditation, a copy of which is in the Members library.

The Council's museums service currently has "provisional accreditation" and to obtain "full accreditation" the Director of Educational Services advises that an additional post is required at an annual cost of £32,000. Of this £10,000 has been identified within the museums budget and an additional £22,000 (£15,000 part year effect in 2008/09) is included in the financial plan.
