

Notice of Motion for Moray Council dated 2 July , 2008.

We propose that this council agrees – that in light of a chronic shortage of childcare facilities throughout the Speyside area, funding for the Riverside Activities Club be extended until Christmas 2008 so that improvements and savings implemented over the last 3 months be allowed to bed in and the club have an opportunity to show itself as sustainable in the long term.

Proposer *Fiona M. Dow*

Seconders *Pearl B Paul*
