

Health and Social Care Integration Scheme for Moray March 2015

This document is also available in large print and other formats and languages, upon request. Please call NHS Grampian Corporate Communications on (01224) 551116 or (01224) 552245.

Introduction

This document outlines the future governance framework for how adult and older people care services will be integrated and delivered by The Moray Council and NHS Grampian.

In developing this Integration Scheme we have engaged with carers, people who currently use health and social care services in Moray, and our joint workforce. We have also subjected the draft Scheme to an extensive consultation exercise and have made further changes to the original document based on the views and comments expressed by people and the organisations who took the opportunity to respond.

During the consultation exercise we also informed people that the contents of this Integration Scheme will be final and it shall not be possible to make any modifications to the Integration Scheme without a further consultation and approval by Scottish Ministers. We also explained that the Integration Scheme will set out the parameters of our Strategic Plan which will present in more detail the changes to the way we propose to deliver integrated care services in Moray in the future.

At a time when the health and social care system is facing significant demographic and financial challenges, we consider that this Integration Scheme will provide a strong foundation to how we can best improve the quality of care we deliver to the people of Moray.

Aims and Outcomes of the Integration Scheme

The main purpose of integration is to improve the wellbeing of people who use health and social care services, particularly those whose needs are complex and involve support from health and social care at the same time. The Integration Scheme is

APPENDIX 2

intended to achieve the National Health and Wellbeing Outcomes prescribed by the Scottish Ministers in Regulations under section 5(1) of the Act, namely:

1. People are able to look after and improve their own health and wellbeing and live in good health for longer.
2. People, including those with disabilities or long term conditions or who are frail, are able to live, as far as reasonably practicable, independently and at home or in a homely setting in their community.
3. People who use health and social care services have positive experiences of those services, and have their dignity respected.
4. Health and social care services are centred on helping to maintain or improve the quality of life of people who use those services.
5. Health and social care services contribute to reducing health inequalities.
6. People who provide unpaid care are supported to look after their own health and wellbeing, including to reduce any negative impact of their caring role on their own health and wellbeing.
7. People using health and social care services are safe from harm.
8. People who work in health and social care services feel engaged with the work they do and are supported to continuously improve the information, support, care and treatment they provide.
9. Resources are used effectively and efficiently in the provision of health and social care services.

Our Vision, Purpose, Principles and Values

In aiming to fulfil the above 9 National Health and Well-being Outcomes, the following Vision, Purpose, Local Principles and Values have been developed by listening to the views of people who presently use health and social care services in Moray or who are involved in the delivery of care and support.

Our Vision

- To enable the people of Moray to lead independent, healthy and fulfilling lives in active and inclusive communities, where everyone is valued, respected and supported to achieve their own goals.

Our Purpose

- Through health, social care and third sector professionals and commercial providers working together with patients, unpaid carers, service users and their families, we will promote choice, independence, quality and consistency of services by providing a seamless, joined up, high quality health and social care service. When it is safe to do so, we will always do our utmost to support people to live independently in their own homes and communities for as long as possible. We will strive to ensure resources are used effectively and efficiently to deliver services that meet the needs of the increasing number of people with longer term and often complex care needs; many of whom are older.

Our Local Principles

- **A single point of contact.** We will make it easier for people to access information and support by having a single point of contact for accessing health and social care services where it is appropriate to do so.

APPENDIX 2

- **Continuity of Care.** We will appoint a single lead professional across health and social care to facilitate improved communication with people in need of support and when possible we will aim to provide continuity of care.
- **Health and social care professionals share information.** We will work to ensure that people will have to tell their story only once and that their information is shared with all relevant professionals.
- **Signposting.** Information and advice should be provided in a format that is right for the person and is readily available in their community.
- **Personalisation.** Our vision means that we do not provide the same service for everyone but the right service for each person. We will always aim to provide choice and control.
- **Community Outcomes.** We will aim to support local communities to determine their own health and well-being priorities and we will work in partnership towards the realisation of these agreed outcomes.
- **The conversation is at the heart of what we do and is the key to meaningful action.** Identifying positive outcomes that matter to people is based on a conversation with the service user, patient, unpaid carer and sometimes the whole community. This level of engagement is the essential first step in delivering an outcomes based service.
- **Best Value.** We will always endeavour to make the best use of public money by ensuring that our services are efficient, effective and sustainable.

Our values

- We will always work to support people to achieve their own outcomes and goals that improve their quality of life.
- We will always listen and treat people with respect.
- We will always value the support and contribution provided by unpaid carers.
- We will respect our workforce and give them the support and trust they need to help them achieve positive outcomes for the people of Moray.

Integration Scheme

The parties:

THE MORAY COUNCIL, established under the Local Government etc (Scotland) Act 1994 and having its principal offices at Council Offices, High Street, Elgin, Moray IV30 1BX (hereinafter referred to as “the Council” which expression shall include its statutory successors);

And

GRAMPIAN HEALTH BOARD, established under section 2(1) of the National Health Service (Scotland) Act 1978 (operating as “NHS Grampian”) and having its principal offices at Summerfield House, 2 Eday Road, Aberdeen AB15 6RE (hereinafter referred to as “NHS Grampian” which expression shall include its statutory successors)

(together referred to as “the Parties”, and each being referred to as a “Party”)

1. Definitions and Interpretation

1.1 In this Integration Scheme, the following terms shall have the following meanings:-

“The Act” means the Public Bodies (Joint Working) (Scotland) Act 2014;

“The Parties” means the Moray Council and NHS Grampian;

“The Scheme” means this Integration Scheme;

“IJB” means the Integration Joint Board to be established by Order under section 9 of the Act;

“Outcomes” means the Health and Wellbeing Outcomes prescribed by the Scottish Ministers in Regulations under section 5(1) of the Act;

“The Integration Scheme Regulations” means the Public Bodies (Joint Working) (Integration Scheme) (Scotland) Regulations 2014;

“IJB Order” means the Public Bodies (Joint Working) (Integration Joint Boards) (Scotland) Order 2014;

“Integrated services” means the functions and services listed in Annexes 1 and 2 of this Scheme;

“Strategic Plan” means the plan which the Integration Joint Board is required to prepare and implement in relation to the delegated provision of health and social care services to adults in accordance with section 29 of the Act;

“Direction” means an instruction from the Integration Joint Board in accordance with section 26 of the Act;

“Integrated Budget” means the Budget for the delegated resources for the functions set out in the Scheme;

“Payment” means all of the following: a) the Integrated Budget contribution to the Integration Joint Board; b) the resources paid by the Integration Joint Board to the Parties for carrying out directions, in accordance with section 27 of the Act and c) does not require that a bank transaction is made;

“Section 95 Officer” means the statutory post under the Local Government (Scotland) Act 1973 being the Accountable (Proper) Officer for the administration and governance of the financial affairs of the Council.

1.2 In implementation of their obligations under the Act, the Parties hereby agree as follows:

1.3 In accordance with section 1(2) of the Act, the Parties have agreed that the integration model set out in sections 1(4)(a) of the Act will be put in place for the IJB, namely the delegation of functions by the Parties to a body corporate that is to be established by Order under section 9 of the Act. This Scheme comes into effect on the date the Parliamentary Order to establish the IJB comes into force.

2. Local Governance Arrangements

- 2.1 Having regard to the requirements contained in the Regulations, the Parties require to supply the detail of the remit and constitution of the IJB which includes, but is not limited to, the following:
- 2.1.1 The remit of the IJB is to prepare and implement a Strategic Plan in relation to the provision of health and social care services to adults in their area in accordance with sections 29-39 of the Act.
 - 2.1.2 The regulation of the IJB's procedure, business and meetings and that of any Committee of the IJB will follow the Standing Orders which will be agreed by the IJB, and which may be amended by the IJB. The Standing Orders will be set out in a separate document.
 - 2.1.3 NHS Grampian and the Council will continue to have in place an appropriate governance structure to ensure effective delivery of any functions or services not delegated as part of this Scheme.
 - 2.1.4 NHS Grampian and the Council and any of their Committees will positively support through productive communication and interaction the IJB and its Committees to allow it to achieve its Outcomes and Vision. The IJB will similarly support through productive communication and interaction NHS Grampian and the Council and any of their Committees in their delivery of integrated and non-integrated services.
 - 2.1.5 The IJB will have distinct legal personality and the autonomy to manage itself. There is no role for NHS Grampian or the Council to independently sanction or veto decisions of the IJB.
 - 2.1.6 The IJB will create such Committees that it requires to assist it with the planning and delivery of integrated services.

2.1.7 The IJB will be a statutory partner in the Community Planning Partnership in terms of s.4(4) and Schedule 1 of the Community Empowerment Bill (or any such subsequent enactment) and as such will be a member of the Community Planning Board and shall, along with the other statutory partners, report to the Community Planning Board. The IJB shall assist in the identification of priorities for the Community Planning Board's strategic partnerships as appropriate.

3. Board Governance

- 3.1 The arrangements for appointing the voting membership of the IJB in accordance with the IJB Order are as follows:-
- 3.1.1 The Council shall nominate three councillors; and
 - 3.1.2 NHS Grampian shall nominate three Health Board members (this will comprise a minimum of two non-executive directors).
- 3.2 The voting membership of the IJB shall be appointed for a term of up to 3 years.
- 3.3 Provision for the disqualification, resignation and removal of voting members is set out in the IJB Order.
- 3.4 The IJB is required to co-opt non-voting members to the IJB.
- 3.5 The non-voting membership of the IJB is set out in the IJB Order and includes (subject to any amendment of the IJB Order):
- a) the chief social work officer of the local authority;
 - b) the Chief Officer, once appointed by the IJB;
 - c) the proper officer of the integration joint board appointed under section 95 of the Local Government (Scotland) Act 1973;

APPENDIX 2

- d) a registered medical practitioner whose name is included in the list of primary medical services performers prepared by the Health Board in accordance with Regulations made under section 17P of the National Health Service (Scotland) Act 1978;
- e) a registered nurse who is employed by the Health Board or by a person or body with which the Health Board has entered into a general medical services contract; and
- f) a registered medical practitioner employed by the Health Board and not providing primary medical services;

and at least one member of each of the following groups:

- g) staff of the constituent authorities engaged in the provision of services provided under integration functions;
- h) third sector bodies carrying out activities related to health or social care in the area of the local authority;
- i) service users residing in the area of the local authority; and
- j) persons providing unpaid care in the area of the local authority.

3.6 NHS Grampian will determine the non-voting representatives listed in d)-f) above, in terms of the IJB Order.

3.7 The arrangements for appointing the Chair and Vice Chair of the IJB are as follows:-

3.7.1 The first Chair shall be nominated by the Council.

3.7.2 The first term of the Chair shall begin on the date the IJB is established and shall continue until 30 September 2016.

3.7.3 Further terms of Chair shall be for a period of 18 months, with the second term of Chair beginning on 1 October 2016.

3.7.4 The Parties are entitled to change the person appointed by them as Chair or Vice Chair during the appointed period.

APPENDIX 2

3.7.5 After the term of the first Chair comes to an end, the Vice Chair will become the next Chair and the outgoing Chair's organisation will then nominate the next Vice Chair, which the IJB shall appoint.

3.7.6 The Parties must alternate which of them is to appoint the Chair in respect of each successive appointing period. The organisation which has not nominated the Chair shall nominate the Vice Chair.

4. Delegation of Functions

4.1 The functions that are to be delegated by the Health Board to the Integration Joint Board are set out in Part 1 of Annex 1. The services to which these functions relate, which are currently provided by the Health Board and which are to be integrated, are set out in Part 2 of Annex 1.

4.2 The functions that are to be delegated by the Local Authority to the Integration Joint Board are set out in Part 1 of Annex 2. The services to which these functions relate, which are currently provided by the Local Authority and which are to be integrated, are set out in Part 2 of Annex 2.

4.3 In exercising its functions, the IJB must take into account the Parties' requirements to meet their respective statutory obligations, standards set by government and other organisational and service delivery standards set by the Parties. Apart from those functions delegated by virtue of this Scheme, the Parties retain their distinct statutory responsibilities and therefore also retain their formal decision-making roles.

4.4 The delegation of functions from the Parties to the IJB shall not affect the legality of any contract made between either of the Parties and any third party, which relates to the delivery of integrated or non-integrated services. The IJB shall be mindful of the Parties' contracts and will enter into a joint commissioning strategy with the Parties.

- 4.5 Some integrated services may be hosted by the IJB on behalf of other integration authorities, or some integrated services may be hosted by another integration authority on behalf of the IJB. The IJB will consider and agree the hosting arrangements.

5. Local Operational Delivery Arrangements

- 5.1 The local operational arrangements agreed by the Parties are:
- 5.2 The responsibilities of the membership of the IJB in relation to monitoring and reporting on the delivery of integrated services on behalf of the Parties are as follows:-
- 5.2.1 The IJB is responsible for the planning of integrated services and achieves this through the Strategic Plan. It issues Directions to the Parties to deliver services in accordance with the Strategic Plan.
 - 5.2.2 The IJB will continue to monitor the performance of the delivery of integrated services using the Strategic Plan on an ongoing basis.
 - 5.2.3 The IJB is required to publish an annual performance report on performance to deliver the Outcomes and will share this with the Parties.
- 5.3 The IJB will have operational oversight of integrated services, including those that it hosts but not the health services listed in Annex 4 or services which are hosted by another integration authority.
- 5.4 The IJB will take decisions in respect of integrated services for which it has operational oversight.

- 5.5 The IJB shall ensure that resources are managed appropriately for the delivery of integrated services for which it has operational oversight, in implementation of the Strategic Plan.
- 5.6 The IJB will, through the Chief Officer, have an appropriate role in the operational delivery of services by the Parties in the carrying out of integration functions. The Parties acknowledge that the Chief Officer's role in operational delivery will represent an important means by which closer integration of services, in accordance with the integration delivery principles specified in the Act, can be achieved. For the avoidance of doubt, the Chief Officer's role in operational delivery shall not displace:
- (a) the responsibilities of each Party regarding compliance with directions issued by the IJB; or
 - (b) the principle that each Party's governance arrangements must allow that Party to manage risks relating to service delivery.
- 5.7 For integrated services that the IJB does not have operational oversight of, the IJB shall be responsible for the strategic planning of those services. The IJB shall monitor performance of those services in terms of outcomes delivered via the Strategic Plan.
- 5.8 NHS Grampian and the Council will be responsible for the operational delivery of integrated services in implementation of Directions of the IJB. The Parties shall provide such information as may be required by the Chief Officer, the IJB and the Strategic Planning Group to enable the planning, monitoring and delivery of integrated services.
- 5.9 NHS Grampian will provide such information as may be reasonably required by the Chief Officer or the IJB in respect of the delivery of integrated services provided within hospitals that the IJB does not have operational oversight of.
- 5.10 NHS Grampian and the IJB will work together to ensure that the planning and delivery of integrated (and non-integrated) hospital services are consistent.

6. Corporate Support Services

- 6.1 The IJB will require various corporate support services in order to fully discharge its duties under the Act.
- 6.2 In preparation for integration, the Shadow IJB (Transitional Leadership Group) has been provided with corporate support by the Parties through joint “workstreams”. This has allowed appropriate advice and support to be given on areas such as finance, legal, human resources, information sharing etc.
- 6.3 The Shadow IJB shall identify, and may review, the corporate resources it requires for the period between April 2015 and April 2016, including the provision of any professional, technical or administrative services for the purpose of preparing a Strategic Plan and carrying out integration functions. This assessment shall be made available to the Parties.
- 6.4 Between April 2015 and April 2016, the Parties shall be responsible for ensuring that the IJB has provision of suitable resources for corporate support to allow it to fully discharge its duties under the Act.
- 6.5 The Parties and the IJB shall reach an agreement in respect of how these services will be provided to the IJB which will set out the details of the provision.
- 6.6 Before the end of April 2016, the Parties and the IJB will review the support services being provided to ensure that these are sufficient. The Parties and the IJB shall agree on the arrangements for future provision, including specifying how these requirements will be built into the IJB’s annual budget setting and review process.

7. Support for Strategic Planning

- 7.1 The Parties shall share with such other relevant integration authorities, the necessary activity and financial data for services, facilities or resources that relate to the planned use of services provided by those integration authorities for the users of adult health and social care services of Moray.
- 7.2 The Parties shall consult with the IJB on any plans to change service provision of non-integrated services which may have a resultant impact on the Strategic Plan.

8. Targets and Performance Measurement

- 8.1 The Parties will make a recommendation to the IJB setting out which performance targets and improvement measures it considers the IJB should take account of as it discharges its functions.
- 8.2 The Parties will identify which performance targets and improvement measures are connected exclusively with the planning and delivery of delegated functions and for which responsibility should transfer exclusively to the IJB.
- 8.3 The Parties will identify which performance targets and improvement measures relate to services which have both delegated and non-delegated functions and for which it is considered that the responsibility for those targets and measures should be shared between the IJB and the relevant Party. Where the responsibility for achieving the targets span delegated and non-delegated functions, the Parties and the IJB will work together to deliver these.

APPENDIX 2

- 8.4 The Parties recognise that the IJB will have an impact on key decisions regarding outcomes for the people of Moray.
- 8.5 The Strategic Planning Group's work shall enable the IJB to assure itself around the monitoring and performance of the delivery of integrated services in accordance with the Strategic Plan. A set of shared principles for targets, measures and indicators will be developed and agreed by the Parties and the IJB. This will take into account the Scottish Government's Guidance on the Outcomes and the associated core suite of indicators for integration.
- 8.6 In addition to national outcome measures and performance indicators, the Shadow IJB has a Joint Outcomes Group which has prepared a Joint Performance Management Plan which takes a systems approach to analysing progress against approximately 100 measures which relate to the impact of the quality of the services delivered in the Moray integration authority area. The cultural shift towards embedding a personal outcomes approach to the delivery of services will also be integral to providing an annual Performance Report. This has been developed in a Joint Outcomes Framework by the Joint Outcomes Group. Both documents are considered to be complimentary in terms of the continuous improvement of the IJB.
- 8.7 This work will be completed by the time the IJB assumes responsibility for integrated services.

9. Clinical and Professional Governance

9.1 Outcomes

- 9.1.1 The IJB will improve and provide assurance on the following Outcomes through its clinical and professional governance arrangements:

APPENDIX 2

- People who use health and social care services have positive experiences of those services, and have their dignity respected.
- People using health and social care services are safe from harm.
- People who work in health and social care services feel engaged with the work they do and are supported to continuously improve the information, support, care and treatment they provide.
- Resources are used effectively and efficiently in the provision of health and social care services.

9.1.2 The Parties and the IJB will have regard to the integration planning and delivery principles and will determine the clinical and professional governance assurances and information required by the IJB to inform the development, monitoring and delivery of its Strategic Plan. The Parties will provide that assurance and information to the IJB.

9.2 General Clinical and Professional Governance Arrangements

9.2.1 The Parties and the IJB are accountable for ensuring appropriate clinical and professional governance arrangements for their duties under the Act.

9.2.2 The Parties remain responsible for the clinical and professional governance of the services which the IJB has instructed the Parties to deliver.

9.2.3 The Parties remain responsible for the assurance of the quality and safety of services commissioned from the third and independent sectors in line with the requirements set out in the Strategic Plan.

9.2.4 The IJB will have regard to healthcare and social care governance quality aims and risks when developing and agreeing its Strategic Plan and its corresponding Directions to the Parties. These risks may be

APPENDIX 2

identified by either of the Parties or the IJB, and may include professional risks.

9.2.5 The Parties and the IJB will establish an agreed approach to measuring and reporting to the IJB on the quality of service delivery, organisational and individual care risks, the promotion of continuous improvement and ensuring that all professional and clinical standards, legislation and guidance are met. This will be set out in a report to the IJB for it to approve.

9.3 Clinical and Professional Governance Framework

9.3.1 NHS Grampian seeks assurance in the area of clinical governance, quality improvement and clinical risk from the NHS Grampian Clinical Governance Committee, through a process of constructive challenge. The Clinical Governance Committee is responsible for demonstrating compliance with statutory requirements in relation to clinical governance, authorising an accurate and honest annual clinical governance statement and responding to scrutiny and improvement reports by external bodies such as Healthcare Improvement Scotland (or any successor). To achieve this, the Committee oversees a governance framework including a strategy, annual work programme, infrastructure of governance groups and an annual report.

9.3.2 The Council is required by law to appoint a Chief Social Work Officer to oversee and make decisions in relation to specified social work services, some of which are delegated in relation to integration functions, and to report to and alert the Council and elected members of any matters of professional concern in the management and delivery of those functions. He or she has a duty to make an annual report to the Council in relation to the discharge of the role and responsibilities. The Chief Social Work Officer will be a non-voting member of the IJB. If required, he or she shall make an annual report to the IJB in relation to

the aspects of his or her position which relate to the delivery of integrated functions. The Chief Social Work Officer will retain all of the statutory decision-making and advisory powers given by statute and guidance, and the Medical and Nursing Directors shall not be entitled to countermand or over-rule any decisions or instructions given by the Chief Social Work Officer in carrying out that statutory role.

9.3.3 External scrutiny is provided by the Care Inspectorate (Social Care and Social Work Improvement Scotland) (or any successor), which regulates, inspects and supports improvement of adult social work and social care.

9.3.4 The Scottish Government's *Clinical and Care Governance Framework for Integrated Health and Social Care Services in Scotland, 2014* (or any updated version or replacement) outlines the proposed roles, responsibilities and actions that will be required to ensure governance arrangements in support of the Act's integration planning and delivery principles and the required focus on improved Outcomes.

9.4 Staff Governance

9.4.1 The Parties will ensure that staff working in integrated services have the right training and education required to deliver professional standards of care and meet any professional regulatory requirements.

9.4.2 The IJB and the Parties shall ensure that staff will be supported if they raise concerns relating to practice that endangers the safety of service users and other wrong doing in line with local policies and regulatory requirements.

9.4.3 Staff employed by NHS Grampian are bound to follow the NHS Staff Governance Standard. This Standard is recognised as being very laudable and the IJB will encourage it to be adopted for all staff

APPENDIX 2

involved in the delivery of delegated services. The Staff Governance Standard requires all NHS Boards to demonstrate that staff are:

- Well informed;
- Appropriately trained and developed;
- Involved in decisions which affect them;
- Treated fairly and consistently, with dignity and respect, in an environment where diversity is valued; and
- Provided with a continuously improving and safe working environment, promoting the health and wellbeing of staff, patients and the wider community.

9.4.4 The Standard places a reciprocal duty on staff to:

- Keep themselves up to date with developments relevant to their job within the organisation;
- Commit to continuous personal and professional development;
- Adhere to the standards set by their regulatory bodies;
- Actively participate in discussions on issues that affect them either directly or via their trade union/professional organisation;
- Treat all staff and patients with dignity and respect while valuing diversity; and
- Ensure that their actions maintain and promote the health, safety and wellbeing of all staff, patients and carers.

9.5 Interaction with the IJB, Strategic Planning Group and Localities

9.5.1 An Integrated Clinical and Professional Governance Group will be established by the Parties to oversee the clinical and professional governance arrangements for integrated services. It will be co-chaired by a senior member of the social work team and the Clinical Lead of the IJB. The Integrated Clinical and Professional Governance Group will have membership of senior professionals which shall be representative of the range of professional groups involved in

delivering health and social care services. This shall include at least one lead from each of the Parties' senior professional staff, which may be the Chief Social Work Officer and Nursing and Medical Directors.

- 9.5.2 The three professional advisors of the IJB listed at 9.5.5 b)-d) shall be members of the Integrated Clinical and Professional Governance Group. One of these professional advisors may be the Clinical Lead. These advisors will continue to report to the Nursing and Medical Directors.
- 9.5.3 The role, remit and membership of the Integrated Professional Governance Group shall be developed during between April 2015 and April 2016 and shall be set out in a separate document which the IJB shall consider for approval, and which may be reviewed and amended by the IJB.
- 9.5.4 The Integrated Clinical and Professional Governance Group will provide clinical health care and professional social work advice to the IJB, the Strategic Planning Group, the Chief Officer and any professional groups established in localities as and when required. This can be done through the Chairs of the Integrated Clinical and Professional Governance Group (or such other appropriate members) informing and advising the IJB, the Strategic Planning Group, the Chief Officer and any other Group, Committee or locality of the IJB as and when required.
- 9.5.5 The IJB and the Chief Officer shall also be able to obtain clinical and professional advice from the IJB non-voting membership, which shall include (subject to any amendment of the IJB Order):
- a) The Chief Social Work Officer;
 - b) A registered medical practitioner whose name is included in the list of primary medical services performers prepared by the Health Board in

APPENDIX 2

accordance with Regulations made under section 17P of the National Health Service (Scotland) Act 1978;

- c) A registered nurse who is employed by the Health Board or by a person or body with which the Health Board has entered into a general medical services contract; and
- d) A registered medical practitioner employed by the Health Board and not providing primary medical services.

9.5.6 The Integrated Clinical and Professional Governance Group will be represented on the established clinical and professional forums/groups of both the Council and NHS Grampian to address matters of risk, safety and quality. The Integrated Clinical and Professional Governance Group will be aligned with both Parties' arrangements.

9.5.7 A Schematic showing the Integrated Clinical and Professional Governance Group's relationship to the NHS Grampian Clinical Governance Committee and the health board is set out in a separate document.

9.5.8 A similar Schematic is not available for the Council's assurance mechanisms, since this does not have a similar structure. If the Chief Social Work Officer is not a member of the Integrated Clinical and Professional Governance Group, then that Group will provide such information as may be required by the Chief Social Work Officer to provide him/her with the necessary assurance regarding the arrangements for social care governance for delegated services. In turn, the Chief Social Work Officer may then report to the Council to provide any necessary assurance as required.

9.5.9 The NHS Grampian Area Clinical Forum (and clinical advisory structure), Managed Clinical and Care Networks, Local Medical Committees, other appropriate professional groups, and the Adult and Child Protection Groups and Committees will be available to provide clinical and professional advice to the IJB.

9.6 Professional Leadership

- 9.6.1 The Act does not change the professional regulatory framework within which health and social care professionals work, or the established professional accountabilities that are currently in place within the NHS and local government. The Act through drawing together the planning and delivery of services aims to better support the delivery of improved outcomes for the individuals who receive care and support across health and social care.
- 9.6.2 Medical Directors and Nursing Directors are ministerial appointments made through health boards to oversee systems of professional and clinical governance within the Health Board. Their professional responsibilities supersede their responsibilities to their employer. These Directors continue to hold responsibility for the actions of NHS Grampian clinical staff who deliver care through integrated services. They, in turn, continue to attend the NHS Grampian Clinical Governance Committee which oversees the clinical governance arrangements of all services delivered by health care staff employed by NHS Grampian.
- 9.6.3 In addition to the Integrated Clinical and Professional Governance Group, advice can be provided to the IJB and the Strategic Planning Group through the Clinical Executive Directors of NHS Grampian and the Chief Social Work Officer of the Council on professional / workforce, clinical / care and social care / social work governance matters relating to the development, delivery and monitoring of the Strategic Plan, including the development of integrated service arrangements. The professional leads of the Parties can provide advice and raise issues directly with the IJB either in writing or through the representatives that sit on the IJB. The IJB will respond in writing to these issues where asked to do so by the Parties.

9.6.4 The key principles for professional leadership are as follows:

- Job descriptions will reflect the level of professional responsibility at all levels of the workforce explicitly.
- The IJB will name the Clinical Lead and ensure representation of professional representation and assurance from both health and social care. The Nurse and Medical Directors will continue to have professional managerial responsibility.
- All service development and redesign will outline participation of professional leadership from the outset, and this will be evidenced in all IJB papers.
- The effectiveness of the professional leadership principles will be reviewed annually.

10. Chief Officer

- 10.1 The IJB shall appoint a Chief Officer in accordance with section 10 of the Act. The arrangements in relation to the Chief Officer agreed by the Parties are:
- 10.2 An interim Chief Officer may be appointed by arrangements made jointly by the Chief Executives of both Parties in consultation with the Chair of the IJB.
- 10.3 The Chief Officer will be responsible for the operational management of integrated services, other than the health services listed in Annex 4 or the services hosted by another integration authority. Further arrangements in relation to the Chief Officer's responsibilities for operational management and strategic planning will be set out in a separate document, which the IJB consider for approval and which it may amend.
- 10.4 The Chief Officer will be responsible for the development and monitoring of operational plans which set out the mechanism for the delivery of the Strategic Plan.

- 10.5 The Chief Executive of NHS Grampian will be the Accountable Officer for the planning and delivery of non-delegated health services.
- 10.6 The Chief Executive of NHS Grampian will be the Accountable Officer for the delivery of the acute services that the IJB has strategic planning responsibility for and will provide updates to the Chief Officer on the operational delivery of those services provided and the set aside budget on a regular basis.
- 10.7 The Chief Officer will be a member of the appropriate senior management teams of NHS Grampian and the Council. This will enable the Chief Officer to work with senior management of both Parties to carry out the functions of the IJB in accordance with the Strategic Plan.
- 10.8 The Chief Officer will be line managed by the Chief Executives of the Parties. The Chief Officer shall also report to the IJB.
- 10.9 The Chief Officer will develop close working relationships with elected members of the Council and non-executive and executive NHS Grampian board members.
- 10.10 The Chief Officer will establish and maintain effective working relationships with a range of key stakeholders across NHS Grampian, the Council, the third and independent sectors, service users and carers, the Scottish Government, trade unions and relevant professional organisations.
- 10.11 The Chief Officer will work with trade unions, staff side representatives and professional organisations to ensure a consistent approach to their continued involvement in the integration of health and social care.

11. Workforce

- 11.1 The arrangements in relation to their respective workforces agreed by the Parties are:

APPENDIX 2

- 11.2 The employment status of staff will not change as a result of this Scheme i.e. staff will continue to be employed by their current employer and retain their current terms and conditions of employment and pension status.
- 11.3 The Parties will develop a joint Workforce Plan that will be aligned to objectives set by the IJB. The joint Workforce Plan will relate to the development and support to be provided to the workforce who are employed in pursuance of integrated services and functions. The plan will cover staff communication, staff engagement, staff and team development, leadership development and the training needs for staff that will be responsible for managing integrated teams.
- 11.4 The process of developing integrated teams will be initiated during the first year of the IJB, building on preparatory work initiated in 2014.
- 11.5 The Organisational Development strategy will be informed by the Employee Engagement Process being followed as part of the Joint Outcomes work stream. This will encourage the development of a healthy organisational culture. The Parties will work together in developing this plan along with stakeholders.
- 11.6 These plans will be presented to the IJB for approval by 31 March 2016 and will be reviewed regularly through an agreed process to ensure that it takes account of the development needs of staff.

12. Finance

12.1 Financial Governance

- 12.1.1 The IJB will have no cash transactions and will not directly engage or provide grants to third parties.

APPENDIX 2

- 12.1.2 The IJB will have appropriate assurance arrangements in place (detailed in the Strategic Plan) to ensure best practice principles are followed by the Parties for the commissioned services.
- 12.1.3 The IJB will be responsible for establishing adequate and proportionate internal audit service for review of the arrangements for risk management, governance and control of the delegated resources. The IJB will accordingly appoint Internal Auditors to report to the Chief Officer and IJB on the proposed annual audit plan, ongoing delivery of the plan, the outcome of each review and an annual report on delivery of the plan.
- 12.1.4 The Accounts Commission will confirm the external auditors for the IJB.
- 12.1.5 Further details of financial governance and Financial Regulations are contained in a separate document outwith this Scheme.

12.2 Payments to the IJB – General

- 12.2.1 The payment made by each Party is not an actual cash transaction for the IJB. There will be a requirement for an actual cash transfer to be made between the Parties to reflect the difference between the payment being made by a Party and the resources delegated by the IJB to that Party to deliver services. Any cash transfer will take place between the Parties monthly in arrears based on the annual budgets set by the Parties and the directions from the IJB. A final transfer will be made at the end of the financial year on closure of the annual accounts of the IJB to reflect in-year budget adjustments agreed.
- 12.2.2 Resource Transfer – The existing resource transfer arrangements will cease upon establishment of the IJB and instead NHS Grampian will include the equivalent sum in its budget allocation to the IJB. The

Council payment to the IJB will accordingly be reduced to reflect this adjustment.

- 12.2.3 Value Added Tax (VAT) – the budget allocations made will reflect the respective VAT status and treatments of the Parties. In general terms budget allocations by the Council will be made net of tax to reflect its status as a Section 33 body in terms of the Value Added Tax Act 1994 and those made by NHS Grampian will be made gross of tax to reflect its status as a Section 41 body in terms of the Value Added Tax Act 1994.

12.3 Payments to the IJB – 1st Financial Year

- 12.3.1 Each Party will follow their existing budget setting process in setting budgets for delegated functions for the financial year commencing 1 April 2015, giving due consideration of recent past performance and existing plans. The outcome of this process will be to set a recurring budget for the IJB for delegated functions as at 1 April 2015.
- 12.3.2 In doing so, the Parties will treat budget setting for delegated functions in a manner which is consistent with their budget setting process for other services provided by the Parties (i.e. the fact that delegated functions will become integrated should not influence the way in which budgets are set for delegated functions). Appropriate due diligence will be carried out by the IJB and Parties. This process will be transparent and the assumptions underlying the budgets must be available to all Parties.
- 12.3.3 If the IJB becomes formally established part way through the 2015/16 financial year, the Director of Finance of NHS Grampian and the Section 95 Officer of the Council, in consultation with the Chief Finance Officer of the IJB, will agree on a proportionate split of the budget for

the year. This would be formally ratified by the Council and NHS Grampian.

12.3.4 Each Party acknowledges that Integration arrangements will still be evolving in 2015/16 and therefore accepts that payment in the first year to the IJB is likely to be indicative in nature. A further due diligence exercise will be carried out at the end of the 2015/16 financial year to assess the adequacy of the payment made in the first year for delegated functions.

12.4 Payments to the IJB - 2nd Financial year onwards

12.4.1 The payment that will be determined by each Party requires to be agreed in advance of the start of the financial year. Each Party agrees that the baseline payment to the IJB for delegated functions will be formally advised to the IJB and the other Party by 28th February each year.

12.4.2 In subsequent years, the Chief Officer and the Chief Finance Officer of the IJB will develop a case for the Integrated Budget based on the Strategic Plan and present it to the Council and NHS Grampian for consideration as part of the annual budget setting process, in accordance with the timescales contained therein. The case should be evidence based with full transparency on its assumptions and analysis of changes, covering factors such as activity changes, cost inflation, efficiencies, legal requirements, transfers to / from the “set aside” budget for hospital services and equity of resource allocation.

12.4.3 The final payment into the IJB will be agreed by the Parties in accordance with their own processes for budget setting.

12.4.4 The IJB will approve and provide direction to the Parties by 31st March each year regarding the functions that are being directed, how they are to be delivered and the resources to be used in delivery.

12.5 Method for determining the amount set aside for hospital services

12.5.1 The IJB will be responsible for strategic planning, in partnership with the hospital sector, of those hospital services most commonly associated with the emergency care pathway.

12.5.2 The IJB and the hospital sector will agree a method for establishing the amount to be set aside for services that are delivered in a large hospital as part of the emergency care pathway which will show consumption by the residents of the IJB.

12.5.3 The method of establishing the set aside budget will take account of hospital activity data and cost information. Hospital activity data will reflect actual occupied bed day and admissions information, together with any planned changes in activity and case mix.

12.6 Financial Management of the IJB

12.6.1 The Council will host the financial transactions specific to the IJB.

12.6.2 The IJB will appoint a Chief Finance Officer who will be accountable for the annual accounts preparation (including gaining the assurances required for the governance statement) and financial planning (including the financial section of the Strategic Plan) and will provide financial advice and support to the Chief Officer and the IJB.

12.6.3 As part of the process of preparing the annual accounts of the IJB the Chief Finance Officer of the IJB will be responsible for agreeing

balances between the IJB and Parties at the end of the financial year and for agreeing details of transactions between the IJB and Parties during the financial year. The Chief Finance Officer of the IJB will also be responsible for provision of other information required by the Parties to complete their annual accounts including Group Accounts.

12.6.4 Recording of all financial information in respect of the integrated services will be in the financial ledger of the Party which is delivering the services on behalf of the IJB.

12.6.5 The Parties will provide the required financial administration to enable the transactions for delegated functions (e.g. payment of suppliers, payment of staff, raising of invoices etc.) to be administered and financial reports to be provided to the Chief Finance Officer of the IJB. The Parties will not charge the IJB for this service.

12.7 Financial reporting to the IJB and the Chief Officer

12.7.1 Financial reports for the IJB will be prepared by the Chief Finance Officer of the IJB. The format and frequency of the reports to be agreed by the IJB, the Chief Officer and the Chief Finance Officer of the IJB, but will be at least on a quarterly basis. The Director of Finance of NHS Grampian and the Section 95 Officer of the Council will work with the Chief Finance Officer of the IJB to ensure that the information that is required to produce such reports can be provided.

12.7.2 To assist with the above the Parties will provide information to the Chief Finance Officer of the IJB regarding costs incurred by them on a monthly basis for services directly managed by the IJB. Similarly, NHS Grampian will provide the IJB with information on use of the amounts set aside for hospital services. This information will focus on patient activity levels and not include unit costs; the frequency will be agreed with the IJB, but will be at least quarterly.

12.7.3 The Chief Finance Officer of the IJB will agree a timetable for the preparation of the annual accounts with the Director of Finance of NHS Grampian and the Section 95 Officer of the Council. The timetable for production of the annual accounts of the IJB will be set following the issue of further guidance from the Scottish Government.

12.7.4 In order to give assurance to the Parties that the delegated budgets are being used for their intended purposes, financial monitoring reports will be produced for the Parties in accordance with timetables to be agreed at the start of each financial year. The format of such reports to be agreed by the Director of Finance of NHS Grampian and the Section 95 Officer of the Council, in conjunction with the Chief Finance Officer of the IJB.

12.8 The process for addressing in year variations in the spending of the IJB

12.8.1 Increases in payment by Parties to the IJB

12.8.1.1 The Parties may increase in-year the payments to the IJB for the delegated services with the agreement of the IJB.

12.8.2 Reductions in payment by Parties to the IJB

12.8.2.1 The Parties do not expect to reduce the payment to the IJB in-year unless there are exceptional circumstances resulting in significant unplanned costs for the Party. In such exceptional circumstances the following escalation process would be followed before any reduction to the in-year payment to the IJB was agreed:-

- a) The Party would seek to manage the unplanned costs within its own resources, including the application of reserves where applicable.
- b) Each Party would need to approve any decision to seek to reduce the in-year payment to the IJB.
- c) Any final decision would need to be agreed by the Chief Executives of both Parties and by the Chief Officer of the IJB, and be ratified by the Parties and the IJB.

12.8.3 Variations to the planned payments by the IJB

- 12.8.3.1 The Chief Officer is expected to deliver the agreed outcomes within the total delegated resources of the IJB. Where a forecast overspend against an element of the operational budget emerges during the financial year, in the first instance it is expected that the Chief Officer, in conjunction with the Chief Finance Officer of the IJB, will agree corrective action with the IJB.
- 12.8.3.2 If this does not resolve the overspending issue then the Chief Officer, the Chief Finance Officer of the IJB and the Director of Finance of NHS Grampian and the Section 95 Officer of the Council must agree a recovery plan to balance the overspending budget.

12.8.4 IJB Overspend against payments

- 12.8.4.1 In the event that the recovery plan is unsuccessful and an overspend is evident at the year-end, uncommitted reserves held by the IJB, in line with the reserves policy, would firstly be used to address any overspend.

- 12.8.4.2 In the event that an overspend is evident following the application of reserves, the following arrangements will apply for addressing that overspend:-
- 12.8.4.3 In the first complete financial year of the IJB – the overspend will be met by the Party to which the spending Direction for service delivery is given i.e. the Party with operational responsibility for the service.
- 12.8.4.4 In future years of the IJB, either:
- a) A single Party may make an additional one off payment to the IJB,
 - or
 - b) The Parties may jointly make additional one off payments to the IJB in order to meet the overspend. The split of one off payments between Parties in this circumstance will be based on each Party's proportionate share of the baseline payment to the IJB, regardless of in which arm of the operational budget the overspend has occurred in.
- 12.8.4.5 The recovery plan may include provision for the Parties to recover any such additional one off payments from their baseline payment to the IJB in the next financial year.
- 12.8.4.6 The arrangement to be adopted will be agreed by the Parties.

12.8.5 IJB underspend against payments

- 12.8.5.1 In the event of a forecast underspend the IJB will require to decide whether this results in a redetermination of payment or whether surplus funds will contribute to the IJB's reserves.

APPENDIX 2

- 12.8.5.2 The Chief Officer and Chief Finance Officer of the IJB will prepare a reserves policy for the IJB, which requires the approval of the IJB and the Director of Finance of NHS Grampian and the Section 95 Officer of the Council. The reserves policy will be reviewed on a periodic basis.
- 12.8.5.3 In the event of a return of funds to the Parties, the split of returned payments between Parties will be based on each Party's proportionate share of the baseline payment to the IJB, regardless of which arm of the operational budget the underspend occurred in.

12.8.6 Planned Changes in Large Hospital Services

- 12.8.6.1 The IJB and the hospital sector will agree a methodology for the financial consequences of planned changes in capacity for set aside budgets in large hospital services.
- 12.8.6.2 Planned changes in capacity for large hospital services will be outlined in the IJB Strategic Plan. A financial plan (reflecting any planned capacity changes) will be developed and agreed that sets out the capacity and resource levels required for the set aside budget for the IJB and the hospital sector, for each year. The financial plan will take account of :-
- activity changes based on demographic change;
 - agreed activity changes from new interventions;
 - cost behaviour;
 - hospital efficiency and productivity targets;
 - an agreed schedule for timing of additional resource / resource released.
- 12.8.6.3 The process for making adjustments to the set aside resource to reflect variances in performance against plan will be agreed by

the IJB and the Health Board. Changes will not be made in year and any changes will be made by annual adjustments to the Strategic Plan of the IJB.

12.9 Capital

12.9.1 The use of capital assets in relation to integration functions

- 12.9.1.1 Ownership of capital assets will continue to sit with each Party and capital assets are not part of the payment or “set aside”.
- 12.9.1.2 If the IJB decides to fund a new capital asset from revenue funds then ownership of the resulting asset shall be determined by the Parties.
- 12.9.1.3 The Strategic Plan will drive the financial strategy and will provide the basis for the IJB to present proposals to the Parties to influence capital budgets and prioritisation.
- 12.9.1.4 A business case with a clear position on funding is required for any change to the use of existing assets or proposed use of new assets. The Chief Officer of the IJB is to develop business cases for capital investment for consideration by NHS Grampian and the Council as part of their respective capital planning processes.
- 12.9.1.5 The Chief Officer of the IJB will liaise with the relevant officer within each Party in respect of day to day asset related matters including any consolidation or relocation of operational teams.
- 12.9.1.6 It is anticipated that the Strategic Plan will outline medium term changes in the level of budget allocations for assets used by the IJB that will be acceptable to the Parties.

12.9.1.7 Any profits or loss on sale of an asset will be held by the Parties and not allocated to the IJB.

12.9.1.8 Depreciation budgets for assets used on delegated functions will continue to be held by each Party and not allocated to the IJB operations in scope.

12.9.1.9 The management of all other associated running costs (e.g. maintenance, insurance, repairs, rates, utilities) will be subject to local agreement between the Parties and the IJB.

13. Participation and Engagement

13.1 A comprehensive joint consultation on this Scheme took place between November 2014 and February 2015. It was conducted using face to face discussions, by email, telephone conversations and using an online survey.

13.2 An “easy read” version of the draft Scheme was prepared, to increase understanding and accessibility of the proposed integration arrangements.

13.3 An email address was supplied for people to send their views and an online survey was created as another option for people to give their opinions.

13.4 The Chief Officer presented the consultation draft Scheme to NHS Grampian Board and elected members of the Council in briefing sessions. Briefing sessions were also held for the public and for staff.

13.5 Principles endorsed by the Scottish Health Council and the National Standards for Community Engagement were followed in respect of the consultation process, which included the following:

- 13.5.1 It was a genuine consultation exercise: the views of all participants were be valued.
- 13.5.2 It was transparent: the results of the consultation exercise were published.
- 13.5.3 It was an accessible consultation: the consultation documentation was provided in a variety of formats.
- 13.5.4 It was being led by the Chief Officer: the Chief Officer and the IJB will be answerable to the people of Moray in terms of the content of the Scheme.
- 13.5.5 It is the start of an on-going dialogue: the Integration Scheme will establish the parameters of the future strategic plans of the IJB.

13.6 The stakeholders consulted in the development of this Scheme were:

Health professionals;
 Users of health care;
 Carers of users of health care;
 Commercial providers of health care;
 Non-commercial providers of health care;
 Social care professionals;
 Users of social care;
 Carers of users of social care;
 Commercial providers of social care;
 Non-commercial providers of social care;
 Staff of NHS Grampian and the Council who are not health professionals or social care professionals;
 Non-commercial providers of social housing;
 Third sector bodies carrying out activities related to health or social care and;
 Other local authorities operating with the area of NHS Grampian preparing an integration scheme.

13.7 The Parties will enable the IJB to develop a Participation and Engagement Strategy by providing appropriate resources and support. The Participation and Engagement Strategy shall ensure significant engagement with, and

participation by, members of the public, representative groups and other organisations in relation to decisions about the carrying out of integration functions. The Parties will encourage the IJB to access existing forums that the Parties have established, such as Public Partnership Forums, Community Councils, groups and other networks and stakeholder groups with an interest in health and social care. The strategy shall be developed alongside the Strategic Plan and will be presented for approval to the IJB in the second half of 2015 and prior to consultation on the Strategic Plan.

14. Information Sharing and Confidentiality

- 14.1 The Parties shall agree to an appropriate information sharing accord for the sharing of information in relation to integrated services. The information sharing accord shall set out the principles, policies, procedures and management strategies around which information sharing is carried out. It will encapsulate national and legal requirements.
- 14.2 The Parties will work together to progress the specific arrangements, practical policies and procedures, designated responsibilities and any additional requirements for any purpose connected with the preparation of an integration scheme, the preparation of a strategic plan or the carrying out of integration functions.
- 14.3 The Parties shall be assisted in this process by a Joint Information Sharing Group which shall review an existing Memorandum of Understanding and Information Sharing Protocol to see whether these are suitable for the purposes of integration, or whether replacements, modifications or supplements are considered necessary. The Group shall report their findings to the Parties and the IJB.
- 14.4 If the Joint Information Sharing Group consider that a further high level accord or information sharing protocol is required, or if amendments are necessary to

existing ones, they shall assist the Parties and the IJB by preparing these and making them available with their recommendation to the IJB in the first instance for comment.

- 14.5 If a new information sharing accord and/or procedures for information sharing are necessary, these will be agreed to by the Parties by the time functions are delegated to the IJB.
- 14.6 The information sharing accord may be amended or replaced by agreement of the Parties and the IJB.
- 14.7 The Parties will continue to develop information technology systems and procedures to enable information to be shared appropriately and effectively between the Parties and the IJB.

15. Complaints

- 15.1 The Parties agree the following arrangements in respect of complaints:
- 15.2 Complaints should continue to be made to the Council and NHS Grampian using the existing mechanisms.
- 15.3 Complaints can be made to the Parties through any member of staff providing integrated services. Complaints can be made in person, by telephone, by email, or in writing. On completion of the complaints procedure, complainants may ask for a review of the outcome. Complaints relating to specific social work functions may be referred to the Council's Complaints Review Committee (or any such successor). At the end of the complaints process, complainants are entitled to take their complaint to the Scottish Public Services Ombudsman (or any such successor). Where appropriate, complainants will also be advised of their right to complain to the Care Inspectorate.

APPENDIX 2

- 15.4 In developing a streamlined process for complaints, the Parties shall ensure that all statutory requirements will continue to be met, including timescales for responding to complaints.
- 15.5 The Parties shall communicate with each other in relation to any complaint which requires investigation or input from the other organisation.
- 15.6 The Chief Officer will have an overview of complaints made about integrated services and subsequent responses. Complaints about integrated services will be recorded and reported to the Chief Officer on a regular and agreed basis.
- 15.7 The IJB shall develop a process for complaints against the IJB and the Chief Officer which will follow any Scottish Government Guidance.
- 15.8 The IJB will use complaints as a valuable tool for improving services and to identify areas where further staff training may be of benefit.
- 15.9 The Parties will ensure that all staff working in the provision of integrated services are familiar with the complaints procedures and that they can direct individuals to the appropriate complaints procedures.
- 15.10 The complaints procedures will be clearly explained, well-publicised, accessible, will allow for timely recourse and will sign-post independent advocacy services.
- 15.11 The IJB will aspire to have a streamlined process for complaints. When this is achieved, the Scheme will be amended using the procedure required by the Act.
- 15.12 In developing a streamlined process for complaints, the Parties shall ensure that all statutory requirements will continue to be met, including timescales for responding to complaints.

15.13 In developing a single complaints process, the IJB will endeavour to develop a uniform way to review unresolved complaints before signalling individuals to the appropriate statutory review authority.

16. Claims Handling, Liability & Indemnity

16.1 The Parties and the IJB recognise that they could receive a claim arising from or which relates to the work undertaken on behalf of the IJB.

16.2 The Parties agree to ensure that any such claims are progressed quickly and in a manner which is equitable between them.

16.3 So far as reasonably practicable the normal common law and statutory rules relating to liability will apply.

16.4 Each party will assume responsibility for progressing and determining any claim which relates to any act or omission on the part of one of their employees.

16.5 Each party will assume responsibility for progressing and determining any claim which relates to any heritable property which is owned by them. If there are any heritable properties owned jointly by the Parties, further arrangements for liability will be agreed upon in consultation with insurers.

16.6 In the event of any claim against the IJB or in respect of which it is not clear which party should assume responsibility then the Chief Officer (or his/her representative) will liaise with the Chief Executives of the Parties (or their representatives) and determine which party should assume responsibility for progressing the claim.

16.7 If a claim is settled by either party, but it subsequently transpires that liability rested with the other party, then that party shall indemnify the party which settled the claim.

APPENDIX 2

- 16.8 Claims regarding policy and/or strategic decisions made by the IJB shall be the responsibility of the IJB. The IJB may require to engage independent legal advice for such claims.
- 16.9 If a claim has a “cross boundary” element whereby it relates to another integration authority area, the Chief Officers of the integration authorities concerned shall liaise with each other until an agreement is reached as to how the claim should be progressed and determined.
- 16.10 The IJB will develop a procedure for claims relating to hosted services with the other relevant integration authorities. Such claims may follow a different procedure than as set out above.
- 16.11 Claims which pre-date the establishment of the IJB will be dealt with by the Parties through the procedures used by them prior to integration.

17. Risk Management

- 17.1 The Parties have developed a shared risk management strategy that sets out:–
- 17.2 The key risks with the establishment and implementation of the IJB. The key risks are identified in a separate document which has been shared with the Shadow IJB (Transitional Leadership Group). This has identified an approach to risk that the IJB will be asked to consider and approve at its inception.
- 17.3 The IJB will develop a Risk Register to which it will have full access. The Risk Register will be available to the IJB from the day it is established.
- 17.4 The IJB will establish the risk monitoring framework which it will use and will agree this at its inception. The risk monitoring framework will identify, assess and prioritise risks related to the delivery of services under integration

APPENDIX 2

functions, particularly any which are likely to affect the IJB's delivery of the Strategic Plan. The processes for mitigating those risks will be identified and described. Reporting arrangements to the Parties will be set out in the framework. This will include an agreed reporting standard that will enable other significant risks identified by the Parties to be compared across the organisations.

- 17.5 The Chief Officer will identify a single person responsible for drawing together the risks from the Parties and the IJB.
- 17.6 The Parties and the IJB will consider and agree which risks should be taken from their own risk registers and placed on the shared risk register.
- 17.7 The Parties and the IJB will consider these risks as a matter of course and notify each other where the risks may have changed.
- 17.8 Any changes to risk management strategies shall be requested through formal paper to the IJB.
- 17.9 The Parties will provide appropriate resource to ensure that the risk management of the IJB is delivered to a high standard.

18. Dispute resolution mechanism

- 18.1 This provision relates to disputes between NHS Grampian and the Council in respect of the IJB or their duties under the Act. This provision does not apply to internal disputes within the IJB itself.
- 18.2 The IJB will develop a process with other IJBs for disputes relating to hosted services and non-delivery of outcomes.
- 18.3 Where either of the Parties fails to agree with the other on any issue related to this Scheme and/or the delivery of integrated health and social care services, then they will follow the process as set out below:

(a) The Chief Executives of NHS Grampian and the Council and the Chief Officer of the IJB will meet to resolve the issue;

(b) If unresolved, NHS Grampian and the Council and the IJB will each prepare a written note of their position on the issue and exchange it with the others within 21 calendar days of the meeting in (a).

(c) Within 14 calendar days of the exchange of written notes in (b) the Chief Executives and Chief Officer must meet to discuss the written positions.

(d) In the event that the issue remains unresolved, the Chief Executives and the Chief Officer will proceed to mediation with a view to resolving the issue. The Chief Officer will appoint a professional independent mediator. The cost of mediation, if any, will be split equally between the Parties. The mediation process will commence within 28 calendar days of the meeting in (c).

(e) Where the issue remains unresolved after following the processes outlined in (a)-(d) above and if mediation does not allow an agreement to be reached within 6 months from its commencement, or any other such time as the parties may agree, either party may notify Scottish Ministers that agreement cannot be reached.

(f) Where the Scottish Ministers make a determination on the dispute, that determination shall be final and the Parties and the IJB shall be bound by the determination.

Additional Local Information

This document contains additional local information which is not part of the Integration Scheme. It is not for consideration by the Scottish Government. The contents of this Annex are not legally binding upon the Parties or the IJB.

Board Governance

- In respect of voting members who are members of the Health Board, once their term comes to an end they may be appointed to the voting membership of the IJB of Aberdeen City or Aberdeenshire.
- A voting member of the IJB from the Council shall cease to be voting member of the IJB if he/she resigns or is no longer in office. A Health Board member shall cease to be a member if he/she no longer holds his/her membership with the Health Board. The IJB voting members are there *ex officio* (by nature of their other appointment).
- A voting member of the IJB shall also cease to be a voting member of the IJB if he/she fails to attend three consecutive meetings of the IJB, provided the absences were not due to illness or other reasonable cause (which shall be a matter for the IJB to determine). In this event the IJB shall give the member one month's notice in writing of his/her removal. The IJB will at the same time request that the organisation of that member nominate a replacement, who will be a different person than the one removed and who will be appointed to the voting membership of the IJB as soon as the other member is removed, or within such other time as is reasonably practicable.

Local Operational Delivery Arrangements

- The IJB shall provide such information as may be reasonably required by the Chief Executive of NHS Grampian in relation to the planning of integrated services provided within hospitals.

Workforce

- Staff engaged in the delivery of integrated services shall remain employed by their existing organisations on their current terms and conditions of employment. No changes to terms and conditions of employment are anticipated as a result of integration and should these be identified at a future date, this would be subject to consultation as per the appropriate legislation and terms and conditions. Within the NHS, staff have a legal entitlement to be treated in accordance with the Staff Governance Standards. This right will continue to apply.
- The IJB is planning to have a fully integrated management system where all teams can have individuals reporting through a person employed by another organisation. Both Parties are in agreement that staff employed by their organisations will take and follow instruction from a manager of the other organisation. To this end, the Parties will agree principles to provide the framework for integrated management of the workforce. In addition, a series of guidance notes for managers and staff will be prepared to indicate how the respective human resource policies of NHS Grampian and the Council can be aligned and effectively implemented. This recognises that different processes may be required for staff attached from either NHS Grampian or the Council.
- The Parties are committed to the continued development and maintenance of positive and constructive relationships with recognised trade unions, staff side representatives and professional organisations involved in the integration of health and social care.

APPENDIX 2

- The establishment of any new workforce group for staff involved in the delivery of integrated services will not replace or supersede the role and functions of existing established consultative and partnership arrangements with the Council, NHS Grampian and trade unions without prior agreement.
- The Council and NHS Grampian are working towards a single process for future appointments, regardless of who the employing organisation will be, unless contrary to statutory obligations. This will include all stages of the process i.e. from the initial agreement to fund the post, through advertising and recruitment procedures, to individuals taking up post. This process will continue to be developed as the Partnership is developed. These appointed individuals can be managed by either organisation or a combination of both.
- For all professional groups, an appropriate professional structure will be put in place to support both managers and practitioners with the provision of professional supervision and advice as required. The IJB will enable professions to develop mechanisms to obtain peer support or supervision within teams.
- Arrangements will be in place to ensure statutory professional supervision for clinicians and social workers.

Finance

- The IJB will, initially, not have a separate Audit Committee. Areas requiring scrutiny and review such as the internal audit plan, internal audit reports, annual accounts, external audit reports, etc. will be considered at the next appropriate meeting of the IJB. The IJB can establish a separate Audit Committee if it is subsequently considered that this is merited.
