AUGUST 2008**

SUBJECT: REVISED MORAY 2020 ACTIVITY LIST

**BY: MARTIN JOHNSON, AREA MANAGER – MORAY,
HIGHLANDS & ISLANDS ENTERPRISE**

At the meeting of the above group on the 5th of June 2008, it was agreed to present a list of the main live economic development projects in Moray.

The attached document is derived from the original Moray 2020 strategy document, workshops on its revision held at the end of 2007, and discussions with key community planning stakeholders.

The document is set out as follows:

- Section 1 Growing Moray's Economy
- Section 2 Elgin: City of the Future
- Section 3 Developing Moray's Towns
- Section 4 Developing Moray as a place to live, visit, work and study
- Section 5 Engaging with Moray's RAF bases
- Appendix 1 Cross reference with original M2020 list (Appendix 2)

Project Title	Project Descriptor	Outline Outcomes/benefits	Who
<p>1.2</p> <p>Engagement with Moray's Business Community.</p> <p>[M2020: 5.2; 5.8]</p>	<p>It is important that the issues, opportunities and barriers to growth for Moray's businesses are identified (and acted on where possible).</p> <p>A number of routes to the Moray business community currently exist or are being developed:</p> <ul style="list-style-type: none"> • Chamber of commerce: <ul style="list-style-type: none"> ○ Council meetings ○ Member events ○ Advocacy & lobbying • Business Panel(s) • Community Planning Structure 	<p>Informs discussion and planning for Moray's Community Planning.</p> <p>Provides a two-way communication between the public and private sectors in Moray.</p> <p>Develops routes for a working relationship between the public and private sectors.</p> <p>Will support the Government Economic Strategy objectives of GVA Growth, Productivity, and Population Growth.</p>	<p>HIE and TMC are working closely on the various threads.</p>

Section 1: Growing Moray's Economy

Project Title	Project Descriptor	Outline Outcomes/benefits	Who
<p>1.3</p> <p>Developing “Business Gateway” in Moray.</p> <p>[New M2020 08/09]</p>	<p>Planning and managing the transition from HIE’s business start up services and generic advice and information services to the replacement Scotland-wide <i>Business Gateway</i> in Moray.</p> <p>During the interim HIE will maintain its start up advice and information service to those seeking to establish their own businesses, and the provision generic business advice and information. TMC has the responsibility for the introduction of <i>Business Gateway</i> in Moray.</p>	<p>A transition plan for the business community in Moray around start ups, and generic advice and information is developed, allowing for a seamless provision in service for businesses in Moray, albeit the nature of the service is likely to change as the national model is adopted.</p>	<p>TMC to lead.</p>

Section 1: Growing Moray's Economy

Project Title	Project Descriptor	Outline Outcomes/benefits	Who
<p>1.4</p> <p>Developing Moray's Food & Drink Sector</p> <p>[Moray 2020: 2.1; 2.8]</p>	<p>In addition to the aforementioned key account management of key business of growth potential, and the engagement with Moray's business community, given the importance of the sector to Moray's economy it is proposed to scope, investigate and plan for a Food & Drink "research institute". This would draw on recent work in Moray, and build upon the national food and drink research scene.</p>	<p>Whilst a proposed investment in the food and drink value chain, its is anticipated that the benefit would be with individual businesses by helping them move further up the value chain, i.e. undertaking more value adding through product, packaging and process development.</p> <p>This would support cluster-type developments in the economy, raising the profile of Moray for the wider food and drink sector.</p> <p>Will support the Government Economic Strategy objectives of GVA Growth, Productivity, and Population Growth.</p>	<p>HIE are leading.</p>

Section 1: Growing Moray's Economy

Project Title	Project Descriptor	Outline Outcomes/benefits	Who
<p>1.5</p> <p>Developing Moray's Tourism Sector.</p> <p>[Moray 2020: 2.7]</p>	<p>In addition to the aforementioned key account management of key business of growth potential, and the engagement with Moray's business community, HIE has been supporting the development of a strategy for Moray's Tourism Sector, in conjunction with the public sector (TMC and VisitScotland) and the private sector.</p> <p>It is proposed to create a private-sector driven Moray Destination Development Organisation (DMO) to implement a strategy for developing the tourism product in Moray, and for the promotion of Moray as a place to visit. The DMO will then lead the development of the sector in Moray.</p>	<p>If successful, there will be private sector consensus on working together to grow the GVA of the sector overall, and individual businesses.</p> <p>Moray's world-class tourism potential is realised.</p> <p>Will support the Government Economic Strategy objectives of GVA Growth, Productivity, and Population Growth.</p> <p>Will support the development of a Tourism Sector Inward Investment Proposition for HIE to take to market via Scottish Development International and/or UK Trade and Investment.</p>	<p>HIE, with TMC and VisitScotland.</p> <p>Leadership to pass to the private sector DMO, supported by Public Sector.</p>

Section 1: Growing Moray's Economy

Project Title	Project Descriptor	Outline Outcomes/benefits	Who
<p>1.6</p> <p>Developing Moray's Life-sciences Sector</p> <p>[Moray 2020: 2.4; 2.5; 2.6; 2.7; 2.14; 2.16; 2.17]</p>	<p>Drawing on some inherent strengths within the UHI and NHS in Moray, it is proposed to develop a life-sciences facility in Elgin as part of the UHI/Moray College campus development plans.</p> <p>This is to be a joint-venture between NHS, HIE and the UHI/Moray College.</p>	<p>Moray develops a niche within Scotland's life-sciences' sector, notably around wellness, rural medicine, tele-health, research and teaching.</p> <p>Will support the Government Economic Strategy objectives of GVA Growth, Productivity, and Population Growth.</p>	<p>UHI/Moray College are leading.</p>

Section 1: Growing Moray's Economy

Project Title	Project Descriptor	Outline Outcomes/benefits	Who
<p>1.7</p> <p>Developing Moray's "Sustainability" Sector</p> <p>[Moray 2020: 2.3; 2.7; 2.11; 2.12]</p>	<p>In addition to the aforementioned key account management of key business of growth potential, and the engagement with Moray's business community, HIE has been leading on the development of a strategy for the development of a "Sustainability Cluster" in Moray.</p> <p>There are inherent strengths based on Findhorn: Community and Associated Businesses/ Organisations; the United Nations Environment Training facility, CIFAL; the Sustainable Development Research Centre at Forres; that Moray College in Elgin have the lead role (and resources) on "sustainability" within the UHI; ambitions to develop an "eco"-business park; and certain aspects of the private sector.</p>	<p>Moray develops a sustainability cluster, which supports commercial and academic activity.</p> <p>Moray develops a national and international profile within this "sector", and is able to develop an inward investment proposition to attract in businesses and activity to the area.</p> <p>Will support the Government Economic Strategy objectives of GVA Growth, Productivity, and Population Growth.</p>	<p>HIE are leading.</p>

Section 1: Growing Moray's Economy

Project Title	Project Descriptor	Outline Outcomes/benefits	Who
<p>1.8</p> <p>Developing Moray's other main Sectors of the economy.</p> <p>[Moray 2020: 2.7]</p>	<p>In addition to the aforementioned key account management of key business of growth potential, and the engagement with Moray's business community, it is proposed to consider the development of sectoral growth plans for Moray's other main sectors of the economy, notably Energy (the engineering value chain), Financial & Business Services, and Creative Industries.</p> <p>These will begin to be developed as work on the Scottish key industries national baseline studies become known.</p>	<p>Will support the Government Economic Strategy objectives of GVA Growth, Productivity, and Population Growth.</p>	<p>HIE</p>

Section 2: Elgin: City of the Future

General Descriptor : Within the context of the Highlands & Islands, Elgin is the second city of the region after Inverness. It is the administrative centre of activities and focus for key parts of the public sector in Moray: Moray Council, Moray College/UHI, NHS, and to an extent HIE (who have plans to move to the regional capital). The economic development of Elgin would be a major fillip for the economy of Moray as a whole.

Project Title	Project Descriptor	Outline Outcomes/benefits	Who
<p>2.1</p> <p>City of Elgin – urban economic transformational programme</p> <p>[Moray 2020: 1.8]</p>	<p>A joined-up scoping and planning project between the members of the Moray Community Planning Partnership focussing on land ownership and use, with reference to other issues such as transport, sustainability, and flood alleviation.</p>	<p>An overall economic development vision for Elgin, setting out roles, goals, and timescales for the Public Sector and Private Sector.</p> <p>This vision was outlined during the refresh of M2020 in 2007: Elgin has the opportunity to become a vibrant, confident, expanding and high quality city, based around a growing city economy and a strong FE & HE presence.</p> <p>From the vision will cascade a series of inter-linked and inter-related development plans for the Public Sector agencies and an identified role for the Private Sector.</p>	<p>Moray Council to lead on behalf of the Moray CPP, notably the Wealthier and Fairer Theme Group.</p>

Section 2: Elgin: City of the Future

Project Title	Project Descriptor	Outline Outcomes/benefits	Who
<p>2.2 Business Parks: [Moray 2020: 1.3]</p>	<p>To grow Elgin’s economy, high quality business parks are needed to allow business to grow, and to provide accommodation for new businesses to the area.</p> <p>Two areas with Greenfield potential have been identified: Elgin East and Elgin West, and these are contained within the Moray Local Plan (July 2008). HIE’s interest, in the absence of the Private Sector due to on-going market failure, is acquisition and investment in infrastructure.</p> <p>HIE’s focus of activities in the short to medium term will be on developing the Elgin West site: heads of terms, business case, planning and acquisition.</p>	<p>Will support the Government Economic Strategy objectives of GVA Growth, Productivity, and Population Growth</p>	<p>HIE is leading on the development of Elgin West.</p>

Section 2: Elgin: City of the Future

Project Title	Project Descriptor	Outline Outcomes/benefits	Who
<p>2.3</p> <p>UHI/Moray College campus and infrastructure investment.</p> <p>[Moray 2020: 1.8]</p>	<p>Moray College is a significant economic asset for Moray (in its own right, research activities, teaching, and services to the business community).</p> <p>There is a market-led opportunity for the college to expand and add further value to the community and economy of Moray.</p> <p>The focus is on making a cogent business case for the required investment in new facilities and buildings.</p>	<p>An increased profile for Elgin and Moray as part of the UHI.</p> <p>Supports the aim for Elgin to become a “university town”.</p> <p>Will support the Government Economic Strategy objectives of GVA Growth, Productivity, and Population Growth.</p> <p>Supports the theme of activities for Moray to be a great place to live, visit, work and study.</p>	<p>Moray College are leading.</p>

Section 2: Elgin: City of the Future

Project Title	Project Descriptor	Outline Outcomes/benefits	Who
<p>2.4</p> <p>Development of Scotland's 5th Art School in Elgin.</p> <p>[Moray 2020: 2.13]</p>	<p>Draws on the strengths of Moray College/UHI's fine art department.</p> <p>Integrated in the above project (2.3), but a separate and distinct strand.</p> <p>The focus is on making a cogent business case for the required investment in new facilities and buildings.</p>	<p>An increased profile for Elgin and Moray as part of the UHI.</p> <p>Supports the aim for Elgin to become a "university town".</p> <p>Will support the Government Economic Strategy objectives of GVA Growth, Productivity, and Population Growth.</p> <p>Supports the theme of activities for Moray to be a great place to live, visit, work and study.</p>	<p>Moray College are leading.</p>

Section 2: Elgin: City of the Future

Project Title	Project Descriptor	Outline Outcomes/benefits	Who
<p>2.5</p> <p>Development of student accommodation.</p> <p>[New M2020 08/09]</p>	<p>Related to the plans of both NHS and Moray College/UHI, there is a need for additional good quality accommodation for students.</p> <p>This is likely to be a private sector delivered project, but there may be a need for public sector involvement (relates to land use and planning)</p> <p>Draws on recently completed consultancy work commissioned by HIE to inform the Private Sector.</p>	<p>An increased profile for Elgin and Moray as part of the UHI.</p> <p>Supports the aim for Elgin to become a “university town”.</p> <p>Will support the Government Economic Strategy objectives of GVA Growth, Productivity, and Population Growth.</p> <p>Supports the theme of activities for Moray to be a great place to live, visit, work and study.</p>	<p>UHI/Moray College</p>

Project Title	Project Descriptor	Outline Outcomes/benefits	Who
<p>2.6</p> <p>Elgin flood alleviation scheme</p> <p>[New M2020 08/09]</p>	<p>Significant capital investment by TMC to address Elgin’s long-standing flood risk.</p>	<p>Reduces flooding risk, and consequently enables informed planning decisions and business planning by the private sector.</p> <p>Also, a key input into the overall planning for the future of Elgin.</p>	<p>TMC are the lead.</p>

Section 3 : Developing Moray's Towns

General Descriptor : Outside of Elgin, Moray's main towns are Keith, Buckie, Lossiemouth and Forres. Each town plays an important role within its location and is an important part of the overall economy and community of Moray.

Project Title	Project Descriptor	Outline Outcomes/benefits	Who
<p>3.1 Moray small towns regeneration initiative. [Moray 2020: 1.5; 1.9]</p>	<p>A systematic approach to the economic development planning for each of Moray's main towns.</p>	<p>A scoped and planned programme to deliver a cogent economic development plan for each of Moray's main towns, setting out the (potential) role of the main Public Sector agencies.</p> <p>Will provide options for possible infrastructure investments (i.e. roads, business parks, and industrial parks)</p> <p>Facilitates community engagement and input.</p>	<p>TMC are the lead.</p>

Section 3 : Developing Moray's Towns

Project Title	Project Descriptor	Outline Outcomes/benefits	Who
<p>3.2</p> <p>Development of Buckie Harbour area.</p> <p>[Moray 2020: 1.9]</p>	<p>Following on from a HIE & TMC study in 2006 looking at options for the future use of Buckie Harbour, HIE has commissioned a strategy for engaging with key stakeholders in the Buckie community to take forward a strategy and a plan for the towns regeneration. Maybe that this can provide a model for Moray's other main towns.</p>	<p>A scoped and planned programme to deliver a cogent economic development plan for Buckie, setting out the (potential) role of the main Public Sector agencies.</p> <p>Facilitates community engagement and input.</p>	<p>TMC are to lead.</p>

Project Title	Project Descriptor	Outline Outcomes/benefits	Who
<p>3.3</p> <p>Developing infrastructure in Forres.</p> <p>[Moray 2020: 1.10]</p>	<p>HIE is planning to continue to plan investments in roads, services and buildings (bespoke and speculative) on the Enterprise Park Forres.</p>	<p>Will support the Government Economic Strategy objectives of GVA Growth, Productivity, and Population Growth.</p> <p>Provides facilities for business growth, and facilities for inward investment businesses.</p>	<p>HIE are leading.</p>
